To the Shareholders of Signature Bank,

Thank you for your ongoing support of and continued interest in Signature Bank. I am pleased to invite you to attend the Annual Meeting of Shareholders of Signature Bank to be held at The Roosevelt Hotel, 45 East 45th Street, New York, NY, on April 24, 2013 at 9:00 a.m., local time.

We have elected to take advantage of Federal Deposit Insurance Corporation and Securities and Exchange Commission rules that allow companies to furnish proxy materials to their stockholders on the Internet. We believe these rules allow us to provide our stockholders with the information they need, while lowering the costs of delivery and reducing the environmental impact of producing and distributing materials for our annual meeting. Under these rules, you can vote in several ways. Follow the instructions provided in our communications with you. If you received a Notice of Internet Availability of Proxy Materials in the mail, you can vote over the Internet or, if you request printed copies of the proxy materials by mail, you can also vote by mail or by telephone.

The accompanying Notice of Annual Meeting of Shareholders and Proxy Statement explain the matters to be voted on at the meeting. Your vote is important, regardless of the number of shares you own. On behalf of the Board of Directors, I urge you to mark, sign and return the enclosed proxy card as soon as possible, even if you plan to attend the Annual Meeting. You may, of course, revoke your proxy by notice in writing to Signature Bank's Corporate Secretary at any time before the proxy is voted. You may also access the Notice of Annual Meeting of Shareholders and the Proxy Statement via the Internet at www.signatureny.com under "*Investor Relations.*" Please read the enclosed Notice of Annual Meeting of Shareholders and Proxy Statement so you will be informed about the business to come before the meeting.

Sincerely,

PROXY STATEMENT

The Board of Directors of Signature Bank, “we,” “our,” “us,” the “Bank” or the “Company,” is furnishing this Proxy Statement to solicit proxies for use at Signature Bank’s Annual Meeting of Shareholders (the “2013 Annual Meeting”), to be held on April 24, 2013 at 9:00 a.m., local time, at The Roosevelt Hotel, 45 East 45th Street, New York, NY, and at any adjournment of the meeting. Each valid proxy received in time will be voted at the meeting according to the choice specified, if any. A proxy may be revoked at any time before the proxy is voted as outlined below.

ABOUT THE MEETING

What is the purpose of the annual meeting?

At our 2013 Annual Meeting, shareholders will act upon the following matters which are outlined in the enclosed notice of meeting:

1. the election of three members of the Board of Directors to serve until their successors have been duly elected and qualified;
2. the ratification of the Company’s independent auditors;
3. the approval of the Amended and Restated 2004 Long-Term Incentive Plan (the “2004 Equity Plan”);
4. an advisory vote on executive compensation; and
5. such other business as may properly come before the meeting or any adjournment thereof.

In addition, management will report on the performance of the Company and respond to questions from shareholders.

Who is entitled to vote at the meeting?

Only shareholders of record at the close of business on February 26, 2013, the record date for the meeting, are entitled to receive notice of and to participate in the 2013 Annual Meeting. If you were a shareholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting.

What are the voting rights of the holders of Signature Bank common stock?

Each outstanding share of Signature Bank common stock will be entitled to one vote on each matter considered at the 2013 Annual Meeting.

Who can attend the meeting?

All shareholders as of the record date, or their duly appointed proxies, may attend the 2013 Annual Meeting. If you attend, please note that you may be asked to present valid picture identification, such as a driver’s license or passport. Cameras, recording devices and other electronic devices will not be permitted at the meeting. Please also note that if you hold your shares in “street name” (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date and check in at the registration desk at the meeting.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the votes represented by the common stock issued and outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. Proxies received but marked as withheld or abstentions and broker non-votes will be included in the calculation of the number of votes considered to be present at the meeting.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials this year instead of a full set of proxy materials?

Pursuant to rules adopted by the FDIC and the Securities and Exchange Commission, we have elected to provide access to our proxy materials on the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials to our stockholders of record and beneficial owners. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice of Internet Availability of Proxy Materials or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials on the Internet or to request a printed copy may be found in the Notice of Internet Availability of Proxy Materials. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

How can I get electronic access to the proxy materials?

The Notice of Internet Availability of Proxy Materials will provide you with instructions regarding how to:

- View our proxy materials for the 2013 Annual Meeting on the Internet; and
- Instruct us to send future proxy materials to you electronically by email.

Choosing to receive future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our annual meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

How do I vote?

Your vote is important. Your shares can be voted at the annual meeting only if you are present in person or represented by proxy. Even if you plan to attend the meeting, we urge you to authorize your proxy in advance. We encourage you to authorize your proxy electronically by going to the www.proxyvote.com website or by calling the toll-free number (for residents of the United States and Canada) listed on your proxy card or in the Notice of Internet Availability of Proxy Materials. Please have your proxy card or Notice of Internet Availability of Proxy Materials in hand when going online or calling. ***If you authorize your proxy electronically, you do not need to return your proxy card.*** If you received proxy materials by mail and choose to authorize your proxy by mail, simply mark your proxy card, and then date, sign and return it in the postage-paid envelope provided.

If you hold your shares beneficially in a street name, i.e., through a nominee (such as a bank or broker), you may be able to authorize your proxy by telephone or the Internet as well as by mail. You should follow the instructions you receive from your broker or other nominee to vote these shares.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may revoke or change your vote at any time before the proxy is exercised. You may revoke your proxy by:

- voting again on the Internet or telephone (only the latest Internet or telephone proxy will be counted);
- properly executing and delivering a later-dated proxy card;
- voting by ballot at the meeting; or
- sending a written notice of revocation to the inspectors of election in care of the Corporate Secretary of the Company at the address listed above.

What are the Board of Directors' recommendations regarding the agenda items?

Unless you give other instructions on your proxy card or through your electronic proxy, the persons named as proxy holders on the proxy card or in your electronic proxy will vote in accordance with the recommendations of the Board of Directors. The Board of Directors' recommendations are set forth together with the description of each item in this Proxy Statement. In summary, the Board of Directors recommends a vote:

- *for* the election of the nominees for the Board of Directors (see Proposal 1);
- *for* ratification of the appointment of KPMG LLP as the Company's independent auditors for fiscal year 2013 (see Proposal 2);
- *for* the approval of our 2004 Equity Plan (see Proposal 3); and
- *for* the approval, on an advisory basis, of the compensation of our executive officers (see Proposal 4).

With respect to any other matter that properly comes before the meeting, including an adjournment of the meeting to a later time, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion, unless such matter is deemed significant pursuant to the New York Stock Exchange ("NYSE") Listed Company Manual, in which case no vote will be cast.

How are votes counted?

For Proposal 1 (election of directors), you may vote "FOR" all of the nominees or your vote may be "WITHHELD" with respect to one or more of the nominees. For Proposal 2 (ratification of the appointment of KPMG LLP as the Company's independent auditors for fiscal year 2013), Proposal 3 (the approval of our 2004 Equity Plan) and Proposal 4 (approval, on an advisory basis, of the compensation of our executive officers), you may vote "FOR," "AGAINST" or "ABSTAIN."

What happens if I do not give specific voting instructions?

Shareholders of Record. If you are a shareholder of record and you:

- indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board of Directors; or
- sign and return a proxy card without giving specific voting instructions,

then the proxy holders will vote your shares in the manner recommended by the Board of Directors on all matters presented in this Proxy Statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the 2013 Annual Meeting. See the section entitled "Other Matters" below.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, pursuant to the NYSE Listed Company Manual, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a "broker non-vote."

Which ballot measures are considered "routine" or "non-routine"?

The ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for 2013 (Proposal 2) is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal 2.

The election of directors (Proposal 1), the approval of the Company's 2004 Equity Plan (Proposal 3) and the advisory vote on executive compensation (Proposal 4) are matters considered non-routine under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on Proposals 1, 3 and 4.

How are broker non-votes and abstentions treated?

Broker non-votes and abstentions are counted for purposes of determining whether a quorum is present. Only “FOR” and “AGAINST” votes are counted for purposes of determining the votes cast in connection with each proposal. Therefore, broker non-votes and abstentions will not be counted as a vote “FOR” the election of directors in Proposal 1 and will have no effect on determining whether the affirmative vote constitutes a majority of the votes cast with respect to Proposals 2 and 4. Broker non-votes and abstentions will have the effect of a vote against Proposal 3 because approval of that proposal requires the affirmative vote of the holders of a majority of the outstanding shares of our common stock.

What vote is required to approve each item?

Election of Directors. The affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. In other words, the three persons receiving the highest number of “FOR” votes at the 2013 Annual Meeting will be elected as directors. A properly executed proxy marked “WITHHELD” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum present at the meeting.

A policy adopted by the Board of Directors in January 2006 provides that if a director nominee receives a greater number of votes “WITHHELD” from his or her election than votes “FOR” that director’s election, the director nominee shall promptly tender his or her resignation for consideration by a committee formed by the Company’s independent directors. This committee will then recommend to the full Board of Directors the action to be taken with respect to such tendered resignation. Please see “Corporate Governance Principals and Board of Director Matters – Voting for Directors” below for more information.

Approval of 2004 Equity Plan. The affirmative vote of the holders of a majority of the outstanding shares of our common stock is required to approve the 2004 Equity Plan (Proposal 3).

Other Items. For each other item, the affirmative “FOR” vote of a majority of the votes cast on Proposals 2 and 4 will be required for approval. A properly executed proxy marked “ABSTAIN” with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum present at the meeting.

If you hold your shares in “street name” through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to certain matters, including the election of directors. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such “broker non-votes” will, however, be counted in determining whether there is a quorum present at the meeting. Your broker or nominee will be permitted to exercise voting discretion with respect to other matters brought before the meeting.

What happens if additional matters are presented at the annual meeting?

Other than the items of business described in this Proxy Statement, we are not aware of any other business to be acted upon at the 2013 Annual Meeting. If you grant a proxy, the persons named as proxy holders will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting, including an adjournment of the meeting to a later time. If for any unforeseen reason any of our nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Board of Directors.

Who will bear the cost of soliciting votes for the annual meeting?

Signature Bank is making this solicitation and will pay the entire cost of preparing and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities.

Where can I find the voting results of the annual meeting?

We intend to announce preliminary voting results at the 2013 Annual Meeting and publish the final results in a Current Report on Form 8-K within four business days of the 2013 Annual Meeting.

OUTSTANDING VOTING SECURITIES

Section 16(a) of the Securities Exchange Act of 1934 (the “Exchange Act”) requires the Company’s executive officers, directors and persons who own more than 10% of Signature Bank’s common stock to file reports of ownership and changes in ownership with the SEC. These persons are required to provide Signature Bank with copies of all Section 16(a) forms that they file. Based solely on Signature Bank’s review of these forms and other representations from the executive officers and directors, Signature Bank believes that each of its executive officers and directors timely filed all reports of purchases or sales of common stock, except that Messrs. D’Amato, Levy and Tamberlane each made one late form filing for one transaction in 2012.

ELECTION OF DIRECTORS

(PROPOSAL NO. 1)

Signature Bank's restated organization certificate, as amended by the First Amendment to the Restated Organization Certificate (as so amended, the "Restated Organization Certificate"), divides the Company's Board of Directors into three classes, with three directors per class and with each class being elected to a staggered three-year term. At the 2013 Annual Meeting, three directors are nominated to serve as Class II Directors and the Board of Directors has endorsed such nominations. One of the nominees is currently a director of Signature Bank. The three directors nominated for election as Class II Directors at the 2013 Annual Meeting of Shareholders, each to serve a term ending at the 2016 Annual Meeting of Shareholders or until their respective successors have been elected and qualified, are John Tamberlane, Judith Huntington and Michael Pappagallo.

Directors not currently standing for re-election include Scott A. Shay, Joseph J. DePaolo and Alfred B. DelBello, who are Class III Directors serving terms ending at the 2014 Annual Meeting and Kathryn A. Byrne, Alfonse M. D'Amato and Jeffrey W. Meshel, who are Class I Directors serving terms ending at the 2015 Annual Meeting.

The persons named as proxies intend (unless authority is withheld) to vote for the election of all of the nominees for directors. Information regarding director nominees is set forth below.

If at the time of the 2013 Annual Meeting any of the nominees is unable or unwilling to serve as a director of Signature Bank, the persons named in the proxy intend to vote for such substitutes as may be nominated by our Board of Directors. Our Board of Directors knows of no reason why any nominee for director would be unable to serve as director.

The Board of Directors recommends a vote "FOR" the election of all of the nominees.

DIRECTORS AND NOMINEES

The following table sets forth information regarding our directors and nominees:

<u>Name</u>	<u>Age</u>	<u>Position</u>
Nominees for Election		
John Tamberlane	71	Vice-Chairman and Director
Judith Huntington	49	Director Nominee
Michael Pappagallo	53	Director Nominee
Directors Continuing in Office		
Scott A. Shay	55	Chairman of the Board of Directors

Alfred B. DelBello	78	Director
Kathryn A. Byrne	47	Director
Alfonse M. D'Amato	75	Director
Jeffrey W. Meshel	55	Director

In addition, we believe each of our directors possesses sound business judgment and is highly ethical. While we do not have a formal diversity policy, consistent with our Nominating Committee Charter, we consider a wide range of factors in determining the composition of our Board of Directors, including professional experience, skills, education and training, and seek to ensure that our Board of Directors represents the communities that we serve.

Mr. DelBello’s community ties developed through a long career in government and legal practice led the Board to conclude that he should be a member of our Board of Directors. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This compensation discussion and analysis describes the material elements of compensation awarded to, earned by or paid to each of our named executive officers during the last completed fiscal year. To the extent that it enhances an understanding of our executive compensation disclosure, we also describe compensation actions taken before or after the last completed fiscal year. The individuals who served as the principal executive officer and principal financial officer during 2012, as well as the other individuals included in the Summary Compensation Table, are referred to as the “named executive officers.”

Executive Summary

As described in more detail in the Company’s Annual Report on Form 10-K, the Company achieved outstanding financial performance in 2012, including a 16% increase in annual earnings per share and a 24% increase in net income, as compared to fiscal 2011 performance. The Company exceeded its peers in 2012 in many significant performance metrics, year-over-year growth metrics and credit metrics. Some notable achievements included:

<u>Performance Metrics</u>	<u>Growth Metrics (over 2011)</u>	<u>Credit Metrics</u>
Return on Equity: 12.1%	Deposit Growth: +19.8%	Nonperforming asset ratio: 0.19%
Total Shareholder Return: 18.9%	Loan Growth: +42.6%	Net charge-offs/average loans: 0.25%
Efficiency Ratio: 37.2%	Pre-Tax Earnings Growth: +22.1%	

The following highlights the key compensation decisions that we made for our named executive officers for the 2012 fiscal year:

As part of our normal review, in February 2012 we awarded a 5% increase in annual base salary to each named executive officer, effective in March 2012. As part of our normal review, in January 2013 we awarded a 3% increase in annual base salary to each named executive officer, effective in March 2013.

In light of our named executive officers’ significant contributions to our strong financial performance in fiscal 2012, we awarded annual cash bonuses to each named executive officer for fiscal 2012 in amounts that represented a 20% increase over the annual cash bonuses awarded for fiscal 2011.

We determined in the first quarter of 2013 to award restricted stock grants (based on fiscal 2012 performance) to our named executive officers of the same number of shares granted to them in the first quarter of 2012; such shares will vest equally over four years.

Compensation Program Objectives

Our primary objective with respect to executive compensation is to provide competitive compensation and benefits to attract, retain, motivate and reward the highest quality executive officers. Accordingly, we attempt to ensure that compensation provided to executive officers remains competitive relative to the compensation paid to similarly situated executives at peer companies in the banking industry. A further objective of our compensation program is to provide variable pay opportunities through cash bonuses and restricted stock awards that reward our officers based on achievement of both individual and Company financial results. In addition, we aim to establish compensation plans that align the performance of our executive officers with the Company’s objectives and the creation of long-term shareholder value, such as the reward of equity compensation which ties a portion of our executive compensation to the performance of our common stock. We believe an appropriate mix of an executive officer’s pay should be variable and performance-based in order to focus the executive officer on both our short-term and long-term strategic objectives.

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank Act”), we provided our shareholders with a non-binding advisory vote on our compensation program for our named executive officers. A significant margin of our shareholders, the holders of approximately 92% of our outstanding shares, approved our compensation program. The Compensation Committee believes that the results of the “say-on-pay” vote provide further support to its view that the executive compensation program is appropriate, and the Compensation Committee determined not to make any changes to its design during 2012.

What Our Compensation Program Is Designed to Reward

Our compensation program is a competitive mix of base salary and incentive compensation designed to reward both the performance of the individual executive and the performance of the division or group he or she supervises and the Company as a whole, to the extent applicable. We aim to reward the achievement of Company and personal performance goals, in addition to other strategic achievements such as the Company's growth, operating performance and development of the corporate culture.

Effect of Economic Volatility and Downturn on Executive Compensation

Due to economic volatility and the general global economic downturn over the last several years, we are mindful that we will need to consider the continued appropriateness of our executive compensation program, including the performance measures in our annual cash incentive plan, while taking into account the risk profile of the Company.

The Process of Setting Executive Compensation

Our Executive Chairman, Scott A. Shay, and our CEO, Joseph J. DePaolo, annually review each named executive officer's compensation package, other than their own, in light of the performance of each officer. The conclusions reached and recommendations made based on these reviews, including those with respect to salary adjustments and annual award amounts, are then presented to the Compensation Committee for review and approval. Specifically, the Compensation Committee determines and approves the compensation packages of each of the Executive Chairman and the CEO and approves the compensation packages of each other named executive officer, giving significant deference to the views and recommendations of the Executive Chairman and CEO. The Executive Chairman and CEO were asked by the Compensation Committee about their own salary levels in light of internal equity considerations; however, the Compensation Committee exercises its full discretion in determining compensation.

Committee's Compensation Consultant

The Compensation Committee has engaged the independent compensation consultant to the Compensation Committee, Frederic W. Cook & Co. (the "Committee's consultant"), to both assist it in carrying out its responsibilities in this respect and to conduct periodic reviews of the total compensation program for executive officers. The Committee's consultant provides the Compensation Committee with guidance and relevant market data to consider when making the compensation decisions for the Executive Chairman and CEO and when considering the recommendations made with respect to the other named executive officers. The Compensation Committee has the sole authority to retain or terminate consultants to assist it in the evaluation of director, chief executive officer and other executive compensation. The Compensation Committee has the sole authority to determine the terms of engagement and the extent of funding necessary for payment of compensation to any consultant retained to advise the Compensation Committee. The Committee's consultant has not provided any services to management and will not do so without the prior approval of the Compensation Committee. The Compensation Committee believes that the Committee's consultant is independent after taking into account the applicable factors set forth in new SEC rules and NYSE listing standards.

Determination of 2012 Peer Group

The market data provided by the Committee's consultant enables the Compensation Committee to review compensation practices at peer companies in the banking industry and compare our named executive officers' current compensation levels and any changes to the current compensation packages suggested by the Executive Chairman and CEO to competitive market norms. Each named executive officer's position is compared to other executives of a similar skill level in positions of comparable scope and responsibility. This peer group may change from year to year depending on changes in the marketplace.

In connection with undertaking our review of potential peer group companies for 2012, as in prior years, we observed that there are not a great number of banks whose business strategies are sufficiently similar to ours, and that most of those banks have a larger retail component than we do. We believe that some of our most direct peer banks against whom we compete for business are the small portion of the larger banks (including JP Morgan Chase, Bank of America, HSBC and Citigroup) that operate in the same middle market space as we do; however,

it is methodologically difficult to compare compensation levels between us and large banks. We are also especially cognizant of certain factors that investors and credit analysts take into account in analyzing a bank's status, including particularly the level of a bank's nonperforming assets.

We proceeded to review banks in our region that could possibly be characterized as our competitors. These banks do not precisely engage in the same business that we do or directly compete with us. We then expanded our review to look at all public banks and thrifts with between \$10 billion and \$35 billion of assets, intending to locate a group of banks with mean and median asset sizes that are similar to our size (approximately \$16.5 billion) on September 30, 2012, the date of this review. As of December 31, 2012, our assets were approximately \$17.5 billion. Of these, we limited our search to those banks that were profitable and had less than 1% nonperforming assets. We focused on companies that are truly middle market banks (not retail banks that have primarily fee-oriented businesses) and have achieved significant growth in deposits and specifically in non-interest bearing deposits.

In accordance with the foregoing process and analysis, we have determined that our peer group for 2012 included the following ten banks that satisfied all five of the following criteria: (i) they had assets of between \$10 billion and \$35 billion; (ii) they had a positive 'Return on Average Assets', that is, they were profitable; (iii) their adjusted nonperforming assets constituted less than 1% of their total assets; (iv) they are based in the United States; and (v) they are public depository institutions:

- First Republic Bank
- Bank of Hawaii Corporation
- BOK Financial Corporation
- City National Corporation
- Commerce Bancshares, Inc.
- Cullen/Frost Bankers, Inc.
- IBERIABANK Corporation
- Prosperity Bancshares, Inc.
- SVB Financial Group
- UMB Financial Corporation

While information regarding pay practices at peer companies is useful to ensure our compensation practices are both reasonable and competitive in the marketplace, we do not believe that it is appropriate to establish compensation levels primarily based on benchmarking, in light of the belief that, at this stage in the Company's development, more flexibility, especially with respect to executive compensation, is necessary in order to successfully increase franchise value. Accordingly, data obtained from review of the peer group information is only one of several reference points for setting of actual compensation. The Compensation Committee reviews and approves each element of compensation for each named executive officer by taking into consideration the Executive Chairman and CEO recommendations; competitive pay practices at peer companies in the banking industry, including the peer group; the relative compensation levels among the Company's senior executive officers; historical compensation levels of the individual executive; the performance of the executive officer; and the performance of the Company.

As an additional primary comparison measure, we also reviewed the pay practices of a smaller alternative peer group consisting of five public depository institutions whose business model we consider to be most similar to ours. This alternative peer group was comprised of First Republic Bank, City National Corporation, East West Bancorp Inc., PrivateBancorp Inc. and Boston Private Financial Holdings Inc. This review further confirmed that the pay of our named executive officers was appropriate and competitive across not only the broader peer group but also among those institutions with similar operations.

The Process of Setting CEO Compensation

The Executive Chairman and the Compensation Committee participate in an annual evaluation of the performance of our CEO and the Compensation Committee determines and approves the CEO's compensation level based on this evaluation. In determining the long-term incentive component of CEO compensation, the Executive Chairman and the Compensation Committee will also consider, among such other factors, the Company's performance, shareholder returns, the value of similar incentive awards to chief executive officers at comparable banks and the awards given to the CEO in past years. Neither the CEO nor the Executive Chairman is present during voting or deliberations relating to their own compensation.

Elements of Compensation for 2012 and Why We Chose to Pay Each Element

For our fiscal year ended December 31, 2012, the principal components of compensation for the named executive officers were:

- base salary;
- annual cash bonus;
- restricted stock awards;
- payment with respect to benefits under life insurance and disability policies;
- employment agreements for our Executive Chairman and CEO, including any change of control or severance provisions set forth in those agreements; and
- eligibility to receive benefits under our Change of Control Severance Plan for Key Corporate Employees.

Consistent with and in promotion of the compensation program objectives detailed above, a significant percentage of total compensation is allocated to incentives in order to motivate the named executive officers to achieve the business goals set by the Company and reward the officers for achieving such goals. There is no pre-established policy or target for allocating compensation between long-term and currently paid out compensation, between cash and non-cash compensation, among different forms of non-cash compensation, or among named executive officers. Rather, we look at an executive's goals and responsibilities to determine the appropriate level and mix of incentive compensation.

Historically, and in 2012, the Compensation Committee granted a significant amount of total compensation to the named executive officers as non-cash incentive compensation in the form of restricted stock awards, believing that such awards align the goals of our executives with those of our shareholders.

Base Salary. We provide executive officers with a base salary to compensate them for services rendered during the fiscal year. This process also enables us to attract and retain an appropriate caliber of talent for the position and to provide a base level of monthly income that is not subject to our performance risk. We conduct a review of base salaries annually, and during such a review we generally consider each named executive officer's individual past performance, the scope of the role and responsibilities of the executive officer within our organization, and the performance of the organization as a whole. We also review the officer's compensation relative to that of our other officers and to the market for officers of similar expertise and experience. In January 2013, the Compensation Committee met and approved increases of 3% in the annual base salary for each of our named executive officers, effective March 2013: Joseph DePaolo from \$606,500 to \$624,695; Scott Shay from \$501,750 to \$516,805; Eric R. Howell from \$347,500 to \$357,925; Michael Merlo from \$375,750 to \$387,025; and John Tamberlane from \$375,750 to \$387,025. These increases ensure that the base salaries we provide remain competitive in the market for executives of similar expertise and experience.

Annual Cash Bonus. We award annual cash bonuses to reward performance achievements with a time horizon of one year or less. We provide this opportunity to attract and retain an appropriate caliber of talent for the position and to motivate executives to achieve our annual business goals. We review cash incentive awards annually to determine award payments for the last completed fiscal year, as well as to establish award opportunities for the current fiscal year.

The employment agreements of both the Executive Chairman and the CEO provide that each shall receive an annual bonus based on the achievement of certain performance criteria determined by the Board. Pursuant to the terms of his chairman agreement, the bonus received by the Executive Chairman is to be 50% of the rate in effect for the CEO, which is also established annually pursuant to the terms of his employment agreement.

All annual cash bonuses are granted pursuant to our 2004 Equity Plan. The 2004 Equity Plan was last approved by our stockholders in April 2008 and is being submitted to our stockholders again this year for approval (see Proposal No.3).

Pursuant to the 2004 Equity Plan, during the first quarter of 2012, our Compensation Committee, which consists of members of our Board who were “outside directors” as defined in Section 162(m) of the Internal Revenue Code, established objective performance criteria (achievement of a specified level of after-tax net income) in order to comply with the requirements of Section 162(m) of the Internal Revenue Code to permit annual cash bonuses (and grants of restricted stock, described below under “—Restricted Stock Awards”) to be fully deductible for federal income tax purposes. For 2012, the Compensation Committee determined that bonuses (in the form of cash bonuses and restricted stock awards) would be payable only if the Company’s after-tax net income was at least \$75 million, provided that the aggregate amount of annual cash bonus plus the value of restricted stock granted in respect of 2012 performance (based on the closing price of the Company’s common stock on the date of grant) for any named executive officer would not exceed the lesser of (i) seven times the named executive officer’s base salary and (ii) \$5,000,000. With respect to annual cash bonuses, the 2004 Equity Plan provides that the maximum annual cash bonus any single participant may receive is \$3,000,000, which is proposed to be increased to \$5,000,000 (see Proposal No. 3).

To determine the actual bonus amounts, the Compensation Committee reviews additional quantitative and qualitative criteria. With respect to both types of criteria, attainment of any specific level of performance or specific qualitative goal does not determine the amount of the bonus. The Compensation Committee may exercise discretion to determine what the amount of the bonus will be by looking at all of the criteria together.

The quantitative performance criteria considered by the Compensation Committee to determine cash bonuses for 2012 included the following: deposit growth, trends in nonperforming assets, tangible capital levels, return on assets, return on equity, earnings per share, comparison of actual performance against budget, net income, loan growth and efficiency ratio. In particular, in the case of the Chairman and the CEO, the Compensation Committee had set proposed quantitative criteria that included (1) net income of at least \$175 million (adjusted as applicable for any FDIC special assessments), (2) deposit growth of at least \$1.15 billion, (3) an efficiency ratio of not more than 42%, (4) achieving a tangible capital ratio that would enable us to remain strong compared to other banks in our peer group and (5) maintaining a level of nonperforming assets that were significantly lower than the banking industry as a whole. The other named executive officers’ performance was also assessed based on degree of attainment of these goals. The qualitative criteria considered by the Compensation Committee included the following, and were tailored to the named executive officer’s position: reputation and ratings of the Company; maintaining the business philosophy and culture of the Company; and continued development and adherence to appropriate and prudent business strategy and decision making with regard to acquisition of securities, credit determinations, problem resolution and the addition of new private client groups, among others.

The Compensation Committee reviews the performance of each of our named executive officers relative to their annual fiscal year target bonus plan objectives at its regularly scheduled annual meeting. Based on such review, the Compensation Committee determines and approves the annual cash bonuses for each of our named executive officers.

The Compensation Committee noted that the Company had significantly outperformed its 2011 performance and budgeted 2012 performance in all major financial categories, including total assets, total loans, total deposits, net income and return on average assets, and that this performance was achieved during a year when many banks struggled financially. The Compensation Committee further reflected on the fact that, in keeping with the view of the management team as founders of the Bank, the Compensation Committee has historically been sensitive to and restrained towards its compensation for the named executive officers. Finally, the Compensation Committee took note of the global economic environment in determining appropriate levels of compensation for its senior management team. Given our superior financial performance during 2012, the Compensation Committee

determined that an increase in annual cash bonuses of 20% over 2011 levels was appropriate, and the Compensation Committee approved cash bonuses for fiscal 2012 in the amounts of \$1,800,000 for Mr. DePaolo; \$900,000 for Mr. Shay; and \$450,000 for each of Messrs. Tamberlane, Merlo and Howell.

Restricted Stock Awards. Restricted stock awards are granted pursuant to our 2004 Equity Plan. The purpose of our 2004 Equity Plan is to give us a competitive advantage in attracting, retaining and motivating officers, employees, directors and/or consultants and to provide us and our subsidiaries and affiliates with a stock plan providing incentives directly related to increases in shareholder value. We review long-term equity incentives annually, and for the last completed fiscal year, our long-term equity incentive program consisted of grants of restricted stock. We use awards of restricted stock as a long-term incentive vehicle because it aligns the interests of executives with those of shareholders, supports a pay-for-performance culture, fosters employee stock ownership, and focuses the management team on increasing value for the shareholders and on the organization's long-term performance. Our annual grant amounts reflect the Committee's evaluation of executive officer performance in the preceding year. The restricted stock historically has been subject to a three-year pro-rata vesting period which is important in encouraging executive retention and preserving shareholder value through alignment, as mentioned above; however, our grants in 2011 and 2012 to senior management are subject to a four-year pro-rata vesting period in light of the increased values of the restricted stock grants attributable to increase in our stock price since the 2010 grants were made. Vesting is dependent on the officer's continued service and does not require any new performance component, as prior performance is taken into account in making the grant. By creating the incentive for executives to stay with us for longer periods of time, this provides us with greater stability during our period of growth.

The Compensation Committee, as well as the Board, has the authority to determine the terms and conditions of any agreements evidencing any awards granted under our 2004 Equity Plan, and to adopt, alter and repeal rules, guidelines and practices relating to our 2004 Equity Plan. Unless the Compensation Committee determines otherwise, or specifies otherwise in an award agreement, if the participant terminates employment during the restricted period, then any unvested restricted stock will be forfeited.

The amounts of restricted stock awards are recommended by the Executive Chairman and CEO to the Compensation Committee. The ability of the individual to affect profits and shareholder value, and his or her historic and recent performance are also considered.

All awards of restricted stock under the aforementioned program are made at the closing price of our common stock on the Nasdaq National Market on the date of the grant. With the exception of certain grants made in 2009 that were delayed in conjunction with our exit from the U.S. Treasury's Capital Purchase Program, we generally only grant awards of restricted stock on an annual basis on March 22nd, the anniversary date of our initial public offering. The Company does not time, or plan to time, its release of material nonpublic information for the purpose of affecting the value of executive compensation. The Compensation Committee, in determining the amount of restricted stock that was awarded in March 2012, took into account the same factors that were taken into account in determining the annual cash bonuses for the 2011 fiscal year discussed in last year's proxy statement (namely, growth in the number of private client groups, deposit growth, asset growth, return on assets, return on equity, earnings per share, comparison of actual performance against budget, net income, loan growth and efficiency ratio; as well as qualitative criteria tailored to the named executive officer's position: reputation and ratings of the Company; maintaining the business philosophy and culture of the Company; and continued development and adherence to appropriate and prudent business strategy and decision making with regard to acquisition of securities, credit determinations, problem resolution and identifying private client groups, among others). The total amounts of restricted stock awarded are set forth in the Grants of Plan-Based Awards Table and reported in the Summary Compensation Table. The combined value of the restricted stock grants awarded in March 2012 plus the annual cash bonuses paid in 2012 (in respect of fiscal 2011 performance) were less than the maximum amount set by the Compensation Committee during fiscal 2011 and previously disclosed in last year's proxy statement. In light of the impending change in individual income tax rates, the Board of Directors determined in September of 2012 that it was appropriate to accelerate the vesting of restricted shares that were scheduled to vest on March 22, 2013 into December 2012.

Executive Benefits; No Perquisites. We do not provide any named executive officers with perquisites or other personal benefits. Named executive officers are, however, eligible for participation in the Signature Bank 401(k) plan under which we currently provide a tiered matching feature: 100% of the first 3% contributed and 50% of the next 4% contributed. (Substantially all of our employees are eligible to participate in this plan.) Taxes are

also paid on behalf of named executive officers with respect to benefits under disability and life insurance policies. We provide these as additional incentives for our executives and to remain competitive in the general marketplace for executive talent. Named executive officers are additionally eligible for participation in the company-wide employee benefit programs that include medical, dental, vision, prescription drug, life insurance, accidental death and dismemberment, short-term and long-term disability, flexible spending account and other voluntary benefits.

Severance and Change of Control Arrangements. Our Change of Control Severance Plan for Key Corporate Employees is designed to assure the Company of the continued employment and attention and dedication to duty of certain of its key management employees and to seek to ensure the availability of their continued service, notwithstanding the possibility or occurrence of a change of control of the Company. These arrangements include a “gross up” provision to the extent amounts due under the plan are more than 10% greater than the level that would avoid triggering excise taxes pursuant to Section 280G and Section 4999 of the Internal Revenue Code of 1986, as amended (the “Code”). Messrs. DePaolo and Shay have additional arrangements under their employment agreement and chairman agreement, respectively, each as described under “Potential Post-Employment Payments Upon Termination or Change of Control” below. The amount of severance under Messrs. DePaolo’s and Shay’s agreements, and the multiples applicable to severance pay under the Change of Control Severance Plan for Key Corporate Employees is an amount the Company has determined is necessary to remain competitive in the marketplace for executive talent.

Deductibility of Executive Compensation. We generally seek to maximize the deductibility for federal income tax purposes of all elements of compensation of our named executive officers. Under Section 162(m) of the Internal Revenue Code, compensation paid to our CEO and the three other most highly compensated named executive officers employed at the end of the year (other than our CFO) in excess of \$1 million per year is not deductible unless the compensation is “performance-based” as described in the regulations under Section 162(m). Compensation is generally “performance-based” if it is determined using pre-established objective formulas and criteria approved by stockholders. Under our 2004 Equity Plan, which, as described above, also provides for annual cash incentive bonus awards, if the applicable performance goals are satisfied, the Company will be able to obtain tax deductions with respect to awards made under the plan, without regard to the limitations of Section 162(m). The Compensation Committee, however, reserves the right to issue awards under our 2004 Equity Plan to our executive officers that are not tax deductible under Section 162(m) when, in the exercise of the Compensation Committee’s judgment, such pay would be in the best interests of the Company and its shareholders.

Employment Agreements

The only named executive officers who are currently party to an employment agreement are our CEO and our Executive Chairman. As discussed in the "Compensation Discussion and Analysis" section, above, each of these officers signed an agreement to limit his rights to any payments and benefits to the extent required under executive compensation rules applicable to participants in the Capital Purchase Program. We exited the Capital Purchase Program in March 2009, and those agreements expired.

Employment Agreement with Joseph J. DePaolo

In March 2004, we entered into an employment agreement with Joseph J. DePaolo, which provides that Mr. DePaolo is to serve as our President and CEO for a three-year period (with automatic one-year renewals unless either party gives 90 days' prior written notice of its intent to terminate the agreement) or until we terminate his employment or he resigns. The agreement provides Mr. DePaolo with a base salary that may be adjusted annually at the Board's discretion (such base salary was \$606,500 in 2012), an annual bonus subject to meeting certain performance-based criteria to be determined from time-to-time by the Board, participation in our 2004 Equity Plan, and eligibility for our employee benefit plans and other benefits provided in the same manner and to the same extent as to our other executive employees. Mr. DePaolo's employment agreement also contains confidentiality provisions and a covenant not to solicit employees or clients during his employment term and for a period of one year thereafter.

The agreement provides that Mr. DePaolo will receive life insurance with a death benefit equal to three times his annual base salary and long-term disability insurance up to the age of 65 in an amount not less than 50% of his annual base salary.

Chairman Agreement with Scott A. Shay

In March 2004, we entered into a chairman's employment agreement, which provides that Mr. Shay serve as our Executive Chairman for a three-year period (with automatic one-year renewals unless either party gives 90 days' prior written notice of its intent to terminate the agreement) or until we terminate his service or he resigns.

The agreement provides that Mr. Shay will receive a base fee that may be adjusted annually at the Board's discretion (such base fee was \$501,750 in 2012), an annual bonus of 50% of the rate in effect for the CEO, subject to meeting certain performance-based criteria to be determined from time-to-time by the Board, participation in our 2004 Equity Plan, and eligibility for our employee benefit plans and other benefits provided in the same manner and to the same extent as to our other executive employees. Mr. Shay's chairman agreement also contains confidentiality provisions and a covenant not to solicit employees or clients during the term of his agreement and for a period of one year thereafter.

Potential Post-Employment Payments Upon Termination or Change in Control

Termination Payments

Joseph J. DePaolo and Scott A. Shay are each entitled to certain payments upon termination pursuant to their employment agreement and chairman agreement, respectively. There are no contractual provisions in effect which provide for payments upon termination for any of the other named executive officers. All of our named executive officers participate in our Change of Control Severance Plan for Key Corporate Employees.

Joseph J. DePaolo

Mr. DePaolo's employment agreement provides that, regardless of the reason for termination of his employment, he will be entitled to any earned but unpaid base salary and vacation time, any outstanding reasonable business expense incurred by him, continued insurance benefits to the extent required by law, and vested benefits as required by the terms of any employee benefit plan or program. If termination occurs due to the death or "disability" of Mr. DePaolo, he will also be entitled to receive any accrued but unpaid bonuses for completed fiscal years. If we voluntarily terminate his employment for any reason other than "cause" or if he terminates his

employment for “good reason,” Mr. DePaolo or his estate will be entitled to both accrued but unpaid bonuses for completed fiscal years and an immediate lump sum severance payment equal to the product of the greater of (x) the amount of base salary that Mr. DePaolo would have received had he remained employed through the scheduled conclusion of the employment period, or (y) two times his annual base salary, plus a pro-rata bonus for the year of termination based on the average of his bonuses for the prior two fiscal years. Upon termination of employment for any reason other than by us for “cause”, Mr. DePaolo will also be entitled to continued medical coverage for five years following his termination or until he becomes eligible for comparable coverage under another employer’s health plans, if earlier.

Scott A. Shay

Mr. Shay’s chairman agreement provides that, regardless of the reason for termination of his service, he will be entitled to any earned but unpaid base fees and vacation time, any outstanding reasonable business expense incurred by him, continued insurance benefits to the extent required by law, and vested benefits as required by the terms of any employee benefit plan or program. If termination occurs due to the death or “disability” of Mr. Shay, he will also be entitled to receive any accrued but unpaid bonuses for completed fiscal years. If we voluntarily terminate his service for any reason other than “cause” or if he terminates his service for “good reason”, Mr. Shay will be entitled to both accrued but unpaid bonuses for completed fiscal years and an immediate lump sum severance payment equal to the product of the greater of (x) the amount of base fees that Mr. Shay would have received had he remained Chairman through the scheduled conclusion of his term, or (y) two times his annual base fees, plus a pro-rata bonus for the year of termination based on the average of his bonuses for the prior two fiscal years.

For purposes of each of these agreements, “cause” for termination includes any of the following: (i) the conviction of the executive of, or the entry of a plea of guilty or nolo contendere by the executive to, any felony or misdemeanor, excluding minor traffic violations; (ii) fraud, misappropriation or embezzlement by the executive; (iii) the executive’s willful failure or gross negligence in the performance of the executive’s assigned duties for the Company, which continues for more than fifteen (15) calendar days following the executive’s receipt of written notice of such conduct; (iv) the executive’s breach of the executive’s fiduciary duty to the Company; (v) any willful act or willful omission of the executive that reflects adversely on the integrity and reputation for honesty and fair dealing of the Company; (vi) the breach by the executive of any material term of the agreement; or (vii) the disqualification of the executive by any state or federal regulatory agency or court from continued service to the Company.

For purposes of each of these agreements, “good reason” for termination includes, without the executive’s consent, (i) a requirement by the Company that the executive relocate his principal office for purposes of his service to the Company to a location other than the Company’s headquarters and, additionally for Mr. Shay, a relocation of his principal office for purposes of his service to the Company to a location which is more than 35 miles further from his principal residence than is his current principal office for purposes of his service to the Company; (ii) the Company’s failure to pay the executive any base fee, base salary or other compensation or benefits to which he is entitled, other than an inadvertent failure which is remedied by the Company within 10 days after receipt of written notice thereof; (iii) a material breach of the agreement by the Company (including a failure to nominate Mr. Shay for the Company’s slate of directors or to appoint him Chairman) which is not remedied by the Company within 10 days after receipt of written notice thereof; (iv) a demotion of the executive, a reduction in his title or reporting responsibilities, or a material diminution of his duties; or (v) the issuance of a notice of non-renewal by the Company other than in a case where cause for termination exists. Additionally, for Mr. DePaolo, “good reason” for termination is constituted by his ceasing to be a member of the Board.

For purposes of each of these agreements, “disability” means the inability of the executive, due to a physical or mental impairment, to perform his duties to the Company, which impairment reasonably can be expected to cause the executive’s continued incapacity to perform his duties for a period of 120 consecutive days from the first date of the disability.

Messrs. DePaolo and Shay are required to deliver to the Company, within 60 days after termination of employment, an effective release of claims against the Company and related persons.

The following table sets forth arrangements that provide for payments to each of Messrs. DePaolo and Shay in connection with termination of his employment by the Company without cause, termination of his employment by him for good reason, termination of his employment upon his death or termination of his employment by reason of his disability, assuming for such purposes that such termination took place on December 31, 2012 and there was no change of control of the Company.

Effect of a Change of Control In the Absence of a Termination of Employment

Under the 2004 Equity Plan and award agreements, upon a change of control of the Company, each named executive officer’s unvested restricted shares will immediately be fully vested and all restrictions thereon shall lapse.

The following table sets forth the value of all restricted shares held by each named executive officer that would have become vested if a change of control of the Company occurred on December 31, 2012, calculated based on the closing price of our common stock on the Nasdaq National Market on such date, which was \$71.34.

Change of Control Termination

Change of Control Severance Plan

In March 2005, in connection with Bank Hapoalim’s sale of its majority stake in us, we amended our Change of Control Severance Plan for Key Corporate Employees and on each of June 20, 2007, September 19, 2007 and December 29, 2008, we further amended the plan. The plan, as amended, provides that covered executives will receive severance if a “change of control” occurs and their employment is terminated by Signature Bank for reasons other than for “cause”, disability or death, or if the covered executive terminates his employment with “good reason” either (i) prior to such change of control at the request of a third party who has taken steps to effect a change of control or (ii) after such change of control but prior to the third anniversary thereof.

“Good reason” is defined in the plan to include (i) termination of employment by the executive following a diminution of duties, a decrease in compensation or benefits or a relocation; (ii) failure by the Company to ensure any successor expressly assumes and honors the plan; and (iii) termination by a named executive officer for any reason during a window period from 90 to 120 days following a change of control.

“Cause” is defined in the plan as either (i) the willful and continued failure of the executive to perform substantially his duties to the Company after receiving a specific written demand for substantial performance, or (ii) the willful engaging by the executive in illegal conduct or gross misconduct which is materially and demonstrably injurious to the Company.

A “change of control” will be deemed to have occurred under the severance plan upon (A) an acquisition by any person of 50% or more of either the outstanding shares or combined voting power of our securities, subject to certain exceptions; (B) a change in the majority of the members of our Board which is not approved by our pre-change Board; (C) a reorganization, merger or consolidation or sale or other disposition of all or substantially all of our assets, unless the beneficial owners of our common stock and voting securities will beneficially own at least 50% of the common stock and voting securities of the resulting corporation, no person will beneficially own more than 50% of the common stock or other voting securities of the resulting corporation (except to the extent such ownership existed before the applicable transactions) and at least a majority of the members of the Board of the resulting corporation were members of our Board prior to the transaction; or (D) approval by our shareholders of a complete liquidation or dissolution of the Company.

Upon such termination, the named executive officer will receive a lump sum cash payment equal to (i) the executive’s accrued but unpaid base salary through the date of termination; (ii) a pro rata bonus for the year in which the termination occurs based on the greater of the executive’s highest bonus earned in the last three full fiscal years and the executive’s annual bonus for the most recently completed fiscal year less any previously paid bonus for such fiscal year plus any accrued vacation pay; (iii) an amount equal to two times the executive’s base salary and highest annual bonus in the last three years; (iv) an amount equal to two times the fair market value of the largest single restricted stock grant made in the 36 months (ignoring any grants of restricted stock approved by the Board (subject to shareholder approval) in September 2007) before the change of control, which value is determined immediately before the change of control; and (v) continued welfare and fringe benefits for two years following termination of employment (five years in the case of Mr. DePaolo per his employment agreement) (or until the executive becomes eligible for comparable coverage under another employer’s health plans, if earlier). In calculating the amount of bonus received by an employee, the plan does not take into account any special bonus paid to employees in 2005 by the Bank’s former parent company, Bank Hapoalim.

If amounts payable under our severance plan would subject a participant to an excise tax on account of Sections 280G and 4999 of the Code, the named executive officer will be entitled to an additional payment from us to make him or her whole, on an after-tax basis in respect of his or her severance payment. However, if reducing the participant’s payments by less than 10% of the amount that is a “parachute payment” under Section 280G of the Code would eliminate the excise tax, we will reduce the participant’s payments and not make the additional payment.

Our Change of Control Severance Plan for Key Corporate Employees may at any time be terminated or amended by our Board, provided that the plan may not be terminated or amended in any manner which would impair the rights of any executive if such termination or amendment occurs in connection with, or in anticipation of, or following a change of control. The plan is binding on any successor to us, our assets or our businesses.

The following table sets forth amounts and benefits that would be payable to our named executive officers under our Change of Control Severance Plan for Key Corporate Employees in connection with the termination of their employment by the Company without cause, or termination of their employment by them for good reason, assuming for such purposes that a change of control and such termination both took place on December 31, 2012.

(1) This gross up amount is based on the cash severance and continued welfare benefits shown in the table above and the value of the vesting of all unvested restricted shares held by the named executive officer on December 31, 2012. Calculations to estimate the excise tax due under the Internal Revenue Code and the related gross-up are complex and require a number of assumptions. This gross-up is calculated based on the assumption that the 280G excise tax rate is 20%, the cumulative rate for other taxes, including federal, state, and local income taxes, applicable for each affected executive officer ranges from 50.78% to 54.66%, that all shares subject to outstanding equity awards are treated as accelerated upon a change in control and included in the gross-up calculation in full, and the equity awards were valued at the closing price of our common stock on December 31, 2012, \$71.34. This calculation is an estimate for proxy disclosure only.

COMPENSATION COMMITTEE

Alfonse M. D'Amato (Chair)
Alfred B. DelBello
Ivanka M. Trump

The report of the Compensation Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Signature Bank filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent we specifically incorporate this item therein by reference.

REPORT OF THE EXAMINING COMMITTEE

The charter of the Examining Committee of the Board of Directors specifies that the purpose of the Examining Committee is to assist the Board of Directors in its oversight of:

- the integrity of the Company's financial statements and other financial information provided to the Company's shareholders, the public, and any stock exchange;
- the Company's risk management processes and internal control;
- the Company's ethics monitor and compliance with legal and regulatory requirements;
- the qualifications and independence of the Company's internal auditors to provide assurance about the overall system of internal control; and
- the performance of the Company's external independent registered public accounting firm.

The full text of the Examining Committee's charter is available on the Company's website (www.signatireny.com) under "Investor Relations." In carrying out its responsibilities, the Examining Committee, among other things:

- monitors preparation of quarterly and annual financial reports by the Company's management;
- supervises the relationship between the Company and its external independent registered public accounting firm, to ensure the independence and objectivity of the external audit process, including: having direct responsibility for their appointment, compensation, retention and oversight; reviewing the scope of their audit services; approving significant non-audit services; and confirming the independence of the independent internal auditors; and
- oversees management's implementation and maintenance of effective systems of internal and disclosure controls, including review of the Company's policies and procedures relating to legal and regulatory compliance, ethics and conflicts of interests, review and approval of any material related person transactions, review of the Company's internal auditing program, and review of the Company's whistleblower and complaint hotline to allow employees to report concerns anonymously.

The Examining Committee met nine times during 2012. The Examining Committee's meetings include, whenever appropriate, executive sessions with the Company's independent registered public accounting firm and with the Company's internal auditors, in each case without the presence of the Company's management. During 2007, the Board of Directors elected to impose a term limit of five years on the chair of the Examining Committee.

As part of its oversight of the Company's financial statements, the Examining Committee reviews and discusses with both management and the Company's external independent registered public accounting firm all annual and quarterly financial statements prior to their issuance. During 2012, management advised the Examining Committee that each set of financial statements reviewed had been prepared in accordance with generally accepted accounting principles, and reviewed significant accounting and disclosure issues with the Examining Committee. These reviews included discussion with the external independent registered public accounting firm of matters required to be discussed pursuant to *Public Company Accounting Oversight Board Auditing Standard No. 16 (Communications with Audit Committees)*, including the quality of the Company's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Examining Committee also discussed with KPMG LLP matters relating to its independence, including a review of audit and non-audit fees and the written disclosures and letter from KPMG LLP to the Examining Committee pursuant to *Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees)*.

Taking all of these reviews and discussions into account, the undersigned Examining Committee members recommended to the Board of Directors that the Board of Directors approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2012, for filing with the FDIC.

Both Kathryn A. Byrne and Yacov Levy qualify as audit committee financial experts under the SEC rules implementing Section 407 of the Sarbanes-Oxley Act of 2002.

The Risk Committee met four times during 2012. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Procedures for Approval of Transactions with Related Persons

We have adopted a written policy pursuant to which we review all relationships and transactions in which the Company and our directors and executive officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. As required under SEC rules, transactions that are determined to be directly or indirectly material to the Company or a related person are disclosed in the Company's Proxy Statement. Our Examining Committee is charged with reviewing and approving any related person transaction that is required to be disclosed.

Loans to Related Persons

We made a loan to Mr. Tamberlane that was outstanding as of December 31, 2012, in an aggregate principal amount of \$100,000. We also made a mortgage loan to Mr. Howell that had an outstanding balance of zero as of December 31, 2012. The largest aggregate amount of principal outstanding on this loan during 2012 was \$559,671.28. Additionally, we have issued a fully cash secured standby letter of credit and a full recourse business credit card to Super Derivatives, of which Mr. Shay is a member of its Board of Directors. The outstanding balances for these extensions of credit were \$205,161 and \$6,697, respectively, as of December 31, 2012. In addition, we have extended a secured personal line of credit to Ms. Trump's husband and father-in-law. The largest aggregate amount of principal outstanding on this line of credit during 2012 was \$4,985,000. As of December 31, 2012, there was an aggregate principal amount of \$4,000,000 outstanding under this line of credit. We have also made two fully cash secured standby letters of credit with outstanding balances of \$131,726 and \$80,575 to the Trump International Golf Club which is controlled by Ms. Trump's father. In addition, Mr. D'Amato has guaranteed a one-year variable rate term loan made by us to a third party. The balance of the loan was \$350,000 as of December 31, 2012. In each case, the loans or other extensions of credit were made in the ordinary course of business, of a type that we generally make available to the public, and on market terms, or terms that are no more favorable than those that we offer to the general public for such extensions of credit.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD OF DIRECTORS' MATTERS

Signature Bank is committed to having sound corporate governance principles. Having such principles is essential to running Signature Bank's business efficiently and to maintaining Signature Bank's integrity in the marketplace.

Voting for Directors

In January 2006, our Board of Directors adopted a new corporate governance policy that requires a nominee for director in an uncontested election who receives more "WITHHELD" than "FOR" votes to promptly tender his or her resignation to the Chairman of the Board. Under this policy, if a nominee were to receive a greater number of "WITHHELD" than "FOR" votes, the independent directors who did not receive a majority of withheld votes would appoint a committee of the Board of Directors amongst themselves for the purpose of considering the tendered resignations and would recommend to the Board of Directors whether to accept or reject them. Following the Board of Directors' decision on the committee's recommendation, the decision and decision-making process will be promptly publicly disclosed in a periodic or current report filed with the Federal Deposit Insurance Corporation. We believe that this policy represents a standard of good corporate governance and is in the best interest of the Company.

Director Independence

The Board of Directors has evaluated all relationships between each director and the Company and has determined that Kathryn A. Byrne, Alfonse M. D'Amato, Alfred B. DelBello, Judith Huntington, Jeffrey W. Meshel and Michael Pappagallo are "independent directors" as defined in the Nasdaq Marketplace Rules. One mandate of the Sarbanes-Oxley Act of 2002 (subsequently clarified by regulations issued by the SEC and the NYSE) is that independent directors on the board of a U.S. public company meet not only as part of the full board but also separately and apart from management and non-independent directors. The Board of Directors determined that it was advisable that a "Lead Independent Director" be appointed to chair such meetings of independent

directors as well as to foster greater transparency and accountability among senior leadership. A majority of Fortune 500 corporations have lead independent directors. On December 21, 2011, the Board appointed Alfred B. DelBello as Lead Independent Director.

Board of Directors' Structure and Committee Composition

During 2012, our Board of Directors had nine directors and four Board of Directors committees: the Risk Committee, the Examining Committee, the Compensation Committee and the Nominating Committee. The membership during the last fiscal year and the function of each of the committees are described below. Each of the committees operates under a written charter adopted by the Board of Directors. The committee charters are available on the Company's website (www.signatureny.com) under "*Investor Relations*." During 2012, the Board of Directors held 10 meetings. During this period, all of the directors attended or participated in more than 80% of the aggregate of the total meetings held of the Board of Directors and the total number of meetings held by all committees of the Board of Directors. Directors are encouraged to attend annual meetings of Signature Bank shareholders. All of our directors attended our 2012 annual meeting of shareholders.

Board Leadership

Our Board of Directors is led by our Executive Chairman. We have decided to separate the roles of Chief Executive Officer and Executive Chairman because each is significantly involved in the management of the Company and we therefore believe this board leadership structure best represents how we manage our company. In addition, each of our Executive Chairman and Chief Executive Officer is primarily responsible for managing different aspects of our company and, as a result, we have separated these two functions to permit each to give a significant amount of attention to the areas managed. On December 21, 2011, we established the position of Lead Independent Director. Lastly, we believe this board leadership structure brings diversity to the leadership of our institution.

Risk Oversight

The Board of Directors monitors management and assists management in evaluating all aspects of risk facing the Bank. On September 21, 2011, the Board of Directors established a Risk Committee, which, until the present, was comprised of Messrs. Shay, DelBello, DePaolo and Tamberlane and Ms. Trump, to assist the Board of Directors in fulfilling its oversight responsibilities with regard to (a) the risks inherent in the Bank and the control processes with respect to such risks, (b) the assessment and review of credit, market, liquidity, operational, technology, data security, and business continuity risks, among others, and (c) the risk management activities of the Bank. The Board of Directors' primary means for overseeing and evaluating risk are through open lines of communication with management, including receiving regular reports on risk from management, the Risk Committee and, in particular, our Chief Risk Officer. The three primary types of risk we face are credit risk, investment risk and operational risk. The Risk Committee monitors these risks and provides reports to the Board of Directors with respect to each of these risks. With respect to credit risk, the Credit Committee, which is composed of Messrs. Shay, DePaolo, Tamberlane and Meshel, and the Risk Committee receive three reports per year from Brian Twomey, our Director of Risk Management, who also briefs the other members of the Board of Directors regarding such report. With respect to investment risk, the Board of Directors and the Risk Committee receive reports from senior management on the Company's investment performance, including asset/liability management, and receive reports from a third party consultant detailing the performance of the Company's investments. With respect to operational risks, the Board of Directors and the Risk Committee receive regular reports from the Chief Operating Officer and various department heads, which encompass matters including regulatory compliance, physical security, disaster recovery and the Bank's insurance coverage.

Risk Committee

The Risk Committee was established on September 21, 2011 and had its first meeting on December 21, 2011. The Risk Committee's duties and responsibilities are set forth in the charter of the Risk Committee and include the development and articulation of the risk and risk appetite within the Bank, the enhancement of means of identifying, qualifying, quantifying, measuring and monitoring KRIs or dashboards for each major risk sector, the education of management and employees about their responsibilities to manage risks and the review of key management, systems, processes and decisions so as to build risk assessment data into critical business systems.

Among other responsibilities, the Risk Committee reviews significant financial and other risk exposures and the steps management has taken to monitor, control and report such exposures, including, but not limited to, credit, market, liquidity, operational, fraud, technology, data security and business continuity risks; evaluates key risk exposure and tolerance; reviews and evaluates the Bank's policies and practices with respect to risk assessment and risk management; reviews reports and significant findings of the Risk Management and Internal Audit Department with respect to the risk management activities of the Bank together with management's responses and follow up to these reports; reviews significant reports from regulatory agencies and any new industry guidance related to risk exposures; reviews the scope of the Risk Management group and its planned activities with respect to the risk management review of the Bank; reviews the Bank's technology risk management, including, among other things, business continuity planning and data security; and reports periodically and escalates issues of primary significance to the Board of Directors. The functions of the Risk Committee are further described in the Proxy Statement under "Report of Risk Committee." The Risk Committee held four meetings in 2012. From September 21, 2011 until the present, the members of the Risk Committee were Scott A. Shay (Chair), Alfred B. DelBello, Joseph J. DePaolo, John Tamberlane and Ivanka Trump. Ms. Trump is not standing for re-election. The Risk Committee must consist of at least one independent director and will include members of the Bank's management, including the Director of Risk Management, the Chief Operating Officer, the Chief Credit Officer, the Chief Financial Officer, and the Chief Technology Officer. The Bank's Chief Auditor is a permanent invitee to all meetings. Mr. Shay has been the chair of the Risk Committee since its inception. The charter of the Risk Committee is available on the Company's website (www.signatureny.com) under "*Investor Relations*."

Examining Committee

The Examining Committee's duties and responsibilities are set forth in the charter of the Examining Committee and include the general oversight of the integrity of Signature Bank's financial statements, Signature Bank's compliance with legal and regulatory requirements, the independent registered public accounting firms' qualifications and independence, the performance of Signature Bank's internal audit function and registered public accounting firms, and risk assessment and risk management. Among other responsibilities, the Examining Committee prepares the Examining Committee report for inclusion in the annual proxy statement; annually reviews the Examining Committee charter and the Committee's performance; reviews and approves any material related party transactions; appoints, evaluates and determines the compensation of Signature Bank's registered public accounting firm; reviews and approves the scope of the annual audit, the audit fee and the financial statements; reviews Signature Bank's disclosure controls and procedures, internal controls, information security policies, internal audit function, and corporate policies with respect to financial information and earnings guidance; oversees investigations into complaints concerning financial matters; and reviews other risks that may have a significant impact on Signature Bank's financial statements. The Examining Committee works closely with management as well as Signature Bank's registered public accounting firm. The Examining Committee has the authority to obtain advice and assistance from, and receive appropriate funding from Signature Bank for, outside legal, accounting or other advisors as the Examining Committee deems necessary to carry out its duties. In fulfilling its duties and responsibilities, the Examining Committee may reasonably rely on the information and representations it receives from professionals, experts and persons within the Company. The functions of the Examining Committee are further described in this Proxy Statement under "Report of Examining Committee." The Examining Committee held nine meetings in 2012. From January 1, 2012 until the present, the members of the Examining Committee were Yacov Levy, Kathryn A. Byrne (Chair) and Jeffrey W. Meshel. Mr. Levy is not standing for re-election. The Board of Directors expects to replace him on the Examining Committee promptly following the 2013 Annual Meeting. The Board of Directors has determined that Kathryn A. Byrne is independent as such term is defined by the Nasdaq Marketplace Rules and is a "financial expert" under the SEC rules. During 2007, the Board of Directors elected to impose a term limit of five years on the Chair of the Examining Committee. Ms. Byrne has been the Chair of the Examining Committee since March 1, 2009. The charter of the Examining Committee is available on the Company's website (www.signatureny.com) under "*Investor Relations*."

Compensation Committee

The Compensation Committee's duties and responsibilities are set forth in the charter of the Compensation Committee. The charter of the Compensation Committee is available on the Company's website (www.signatureny.com) under "*Investor Relations*." The Compensation Committee consists of at least three of the Company's non-employee directors, any of whom may be removed at any time by action of the Board. The Chair

is designated by the Board and the Committee must have at least two meetings per year. The Compensation Committee met three times in 2012. In 2007, the Board of Directors elected to impose a five-year term limit on the Chair. Mr. D'Amato has been the Chair of the Compensation Committee since June 17, 2009. From January 1, 2012 until the present, the members of the Compensation Committee were Alfonse M. D'Amato, Alfred B. DelBello and Ivanka M. Trump. Ms. Trump is not standing for re-election. The scope of authority of the Compensation Committee includes the power to:

- review and determine compensation of Signature Bank's CEO and other executive officers on an annual basis;
- review and make recommendations to management and the Board with respect to policies relating to compensation, the Company's equity compensation plan and the adoption of new incentive compensation and equity-based plans;
- administer the 2004 Equity Plan and the Change of Control Severance Plan;
- approve the terms of the grant agreements for all equity awards and make such grants of equity awards;
- review and approve all compensation awards, employment agreements, and severance plans and agreements for executive officers and key employees; and
- review its own performance and the adequacy of the Compensation Committee Charter annually and report regularly to the Board, recommending any changes it deems appropriate.

The Executive Chairman and Chief Executive Officer are the only executive officers to have a role in determining or recommending the amount or form of executive and director compensation. Together they annually review the performance of each executive. The conclusions reached and recommendations made based on these reviews, including those with respect to salary adjustments and annual award amounts, are then presented to the Committee for review and approval and/or ratification. The Executive Chairman and Chief Executive Officer do not play a prominent role in the determination of their own salary levels, although recommendations are still made by each of them to the Committee. The Committee can exercise its full discretion in modifying any recommended adjustments or awards to executives.

The Committee has engaged a compensation consultant, Frederic W. Cook & Co., to both assist it in carrying out its responsibilities and to conduct periodic reviews of the total compensation program for executive officers. The Committee's consultant aids in the determination of the amount and form of executive and director compensation by providing the Committee with guidance and relevant market data to consider. Such information enables the Committee to review compensation practices at peer companies in the banking industry and compare our named executive officers' current compensation levels to competitive market norms. The Committee's consultant is engaged directly by the Committee, which has the sole authority to retain or terminate consultants to assist it in the evaluation of director, chief executive officer or executive compensation. The Committee has the sole authority to determine the terms of engagement and the extent of funding necessary for payment of compensation to any consultant retained to advise the Committee.

Executive Compensation Risk Assessment

In 2009, in conjunction with our senior risk official and the Committee's consultant, we conducted a comprehensive review of the design and operation of our executive compensation plans and arrangements, including the performance objectives and target levels used in connection with our annual cash incentive bonus compensation awards, to determine whether any amendments or modifications were required to ensure that our senior executive officer incentive compensation programs not encourage unnecessary and excessive risk-taking.

Original Review Process. Our senior risk official prepared a report, setting out the risks we faced that could have potentially threatened the value of the Company. These risks generally fell into the following five areas: (1) inability to successfully execute the business model; (2) inability to maintain acceptable credit quality over various business cycles given the growth model and inherent geographic concentrations; (3) inability to maintain adequate liquidity; (4) vulnerability to swings in interest rates and volatility in fixed income portfolio; and (5) all manner of operational risk including reliance on outside vendors and employee or client fraud or defalcation.

Our senior risk official met several times with senior management and counsel to discuss the long and short-term risks the Company was facing that could have threatened the value of the Company. In addition, our senior risk official met with the Compensation Committee at one of the Compensation Committee's meetings. At the meeting, the final report of the senior risk official was presented, and the senior risk official responded to questions. The Compensation Committee examined whether any features of the senior executive officer compensation arrangements could have induced the senior executive officers to take risks that could have threatened the value of the Company. The Compensation Committee and our senior risk official noted that performance metrics and target levels used in connection with our annual cash incentive bonus compensation awards were not set at levels that would incentivize our senior executive officers to take excessive risks in our business or achieve only short-term increases in our common stock price.

Moreover, the senior executive officer compensation program as a whole included the following design features that we believed mitigated officer risk-taking:

Compensation Mix. To encourage appropriate decision-making and facilitate the alignment of the interests of our senior executive officers with those of the Company and its shareholders, our senior executive officer compensation program was structured to provide an appropriate balance of "fixed" and "variable" or "at risk" compensation. We believed that the allocation of variable compensation between annual cash incentives and long-term restricted stock grants was reasonable for the Company given our business objectives and comparable to the ratio used by members of our peer group identified below. The mix of compensation provided to our executives was sufficiently diversified to be consistent with the Company's risk profile and provide a balance of incentives.

Base Salaries. While base salary was the only fixed element of compensation that we provided to our senior executive officers, we believed that the amounts paid were appropriate base levels for these senior executive officers. Consequently, our incentive compensation arrangements were intended to reward their performance if, and only to the extent that, the Company and our shareholders also benefited financially from their stewardship.

Annual Incentives. The annual incentive component of our executive compensation program involved cash-based awards payable if, and only to the extent that, pre-established corporate financial and individual performance objectives were achieved. The Compensation Committee evaluated the performance factors and targets for annual cash bonus awards. We considered the performance goals and target levels for annual bonuses appropriate given the risks the Company faced and realistic in light of past performance. Additionally, we believe that the following attributes of the 2004 Equity Plan, pursuant to which any such bonuses were awarded furthered our long-term business plan and ensured that the interests of our senior executive officers were aligned with the interests of our shareholders: (1) bonus payouts were based on multiple goals and objectives; (2) bonus payouts were not based solely on corporate performance, but also depended on qualitative, non-financial measures; (3) there was a pre-established maximum amount payable under the bonus program; and (4) the Compensation Committee retained discretion over the amount of the payouts.

Restricted Stock. The Compensation Committee granted a substantial amount of the senior executive officers' total compensation as non-cash incentive compensation in the form of restricted stock awards. Our annual restricted stock awards granted to our senior executive officers were 100% service-based, vesting in equal annual installments over either a three-year or four-year period (except the special restricted stock grant in April 2009 that vests in equal annual installments over a two-year period, as further described in "Elements of Compensation for 2009 and Why We Chose to Pay Each Element — Restricted Stock Awards"); vesting was not tied to Company or individual performance. We have not granted performance-based equity awards at any time, including in 2010, 2011 or 2012. We also made a special restricted stock grant in April 2008 that does not begin to vest until the sixth anniversary of the grant date in order to underscore our commitment to long-term decision-making and growth.

Forfeiture of Awards. Our 2004 Equity Plan, pursuant to which all equity compensation and, from 2008 onwards, all annual cash bonuses, were awarded to senior executive officers, contains a 'forfeiture of awards' provision pursuant to which the Compensation Committee may provide in any award agreement that, in the event of serious misconduct by a plan participant or any activity of a plan participant in competition with the Company or any subsidiary or affiliate, any outstanding award granted under the 2004 Equity Plan to such participant would be cancelled, in whole or in part, whether or not vested or deferred.

This review was updated in 2010, 2011 and again in 2012, taking into account that the various rules and restrictions that applied under the U.S. Treasury's Capital Purchase Program no longer applied to the Company, and reflecting new rules promulgated by the Securities and Exchange Commission relating to assessing the extent to which the Company's compensation plans and programs for its employees encouraged excessive and unnecessary risk-taking behavior. Thus, the update encompassed a comprehensive review of our compensation policies and practices for all employees, including our executive officers, as they relate to risk management practices and risk-taking incentives. Our senior risk official prepared a detailed written report setting out the terms of compensation policies and practices for the following employee groups: senior executive officers, operations employees, employees in our private client groups, investment group directors, employees on our fixed income desk, and our SBA group. The report was presented to the Compensation Committee at a meeting in February.

After considering the presentation of our senior risk official, we agreed with the conclusion of our senior risk official that our employee compensation policies and practices are not reasonably likely to result in a material adverse effect on the Company. The Committee's consultant also concurred in this conclusion.

In addition, the By-laws of Signature Bank permit shareholders to nominate directors for consideration at an annual shareholders meeting. For a description of the process for nominating directors or other shareholder proposals in accordance with Signature Bank's By-laws, see "Shareholder Proposals" in this Proxy Statement.

Identifying and Evaluating Nominees for Directors

The Nominating Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Nominating Committee from time to time assesses the appropriate size of the Board of Directors, and whether any vacancies on the Board of Directors are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating Committee considers various potential candidates for director. Candidates may come to the attention of the Nominating Committee through current Board of Directors' members, professional search firms, shareholders or other persons. These candidates are evaluated at meetings of the Board of Directors and may be considered at any point during the year. As described above, the Nominating Committee considers properly submitted shareholder nominations as candidates for the Board of Directors. Following verification of the shareholder status of persons proposing candidates, properly submitted recommendations will be aggregated and considered by the Nominating Committee at a meeting prior to the issuance of the proxy statement for Signature Bank's annual meeting. If any materials are provided by a shareholder in connection with the nomination of a director candidate, such materials will be forwarded to the Nominating Committee. The Nominating Committee also reviews materials provided by professional search firms or others in connection with a nominee who is not proposed by a shareholder. In evaluating such nominations, the Nominating Committee seeks to achieve a balance of knowledge, experience and capability on the Board of Directors.

Director Qualifications

The Nominating Committee uses a number of criteria to determine the qualification of a director nominee for the Board of Directors. The minimum criteria used by the Nominating Committee consist of the following:

- Directors should be of the highest ethical character and share the mission, vision and values of Signature Bank;
- Directors should have reputations, both personal and professional, consistent with the image and reputation of Signature Bank;
- Directors should be highly accomplished in their respective fields, with superior credentials and recognition;
- Each director should have relevant expertise and experience, and be able to offer advice and guidance to the Chairman and the Chief Executive Officer based on that expertise and experience; and
- Each director should have the ability to exercise sound business judgment.

The Nominating Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board of Directors, the balance of management and independent directors, the need for Examining Committee and industry expertise and the evaluations of other prospective nominees. After completing the interview and evaluation process that the Nominating Committee deems appropriate, it makes a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors, and the Board of Directors determines the nominees after considering the recommendation and the report of the Nominating Committee.

Communications with the Board of Directors

Signature Bank's Board of Directors has adopted a policy regarding shareholder access to the Board of Directors to ensure that shareholders may communicate directly with the Board of Directors. All written communications should be directed to the Company's Corporate Secretary at: Corporate Secretary, Signature Bank, 565 Fifth Avenue, New York, NY 10017 and should prominently indicate on the outside of the envelope that it is intended for one of the following: the Board of Directors, the Examining Committee, the Risk Committee, the Compensation Committee or the Nominating Committee. Each written communication intended for the Board of Directors or one of the committees and received by the Corporate Secretary will be forwarded to the specified party following its clearance through normal security procedures. The written communication will not be opened, but rather will be forwarded unopened to the intended recipients.

Codes of Ethics

We believe that each of our employees and directors should maintain high ethical standards. We have adopted our Code of Business Conduct and Ethics applicable to our employees and directors and our Code of Ethics for the Principal Executive Officer and Senior Financial Officers. The Company's Code of Business Conduct and Ethics was amended in January 2006 to include the engagement of a third-party, NAVEX Global (formerly, Global Compliance Services), to provide employees an independent mechanism for the confidential, anonymous submission of concerns regarding questionable accounting, operational or auditing matters or any other questionable activity or matter. The Whistleblower program is a 24-hour manned toll-free hotline.

These codes are available on our website (www.signatureny.com) under "*Investor Relations*," and in print upon any written request by a shareholder. The Company intends to post at this location on its website any amendments to or material waivers from the provisions of these codes.

RATIFICATION OF INDEPENDENT AUDITORS

(PROPOSAL NO. 2)

The Examining Committee has selected the firm of KPMG LLP, an independent registered public accounting firm, as our independent auditors for the year ending December 31, 2013. KPMG LLP has audited our financial statements since our inception, and is in compliance with the requirements of the Sarbanes-Oxley Act of 2002 and applicable rules adopted by the SEC regarding mandatory audit partner rotation.

A representative of KPMG LLP will be present at the 2013 Annual Meeting, will be offered the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions. In the event the appointment is not ratified, the Examining Committee will consider the appointment of other independent auditors.

The Board of Directors recommends a vote “FOR” this proposal.

PRINCIPAL AUDITOR FEES AND SERVICES

The Examining Committee, Signature Bank’s audit committee, has appointed KPMG LLP as Signature Bank’s independent auditors for the fiscal year ending December 31, 2013.

Fees Incurred by Signature Bank for KPMG LLP

The following table shows the fees billed to Signature Bank for the audit and other services provided by KPMG LLP for fiscal 2012 and 2011:

	<u>2012</u>	<u>2011</u>
Audit Fees ⁽¹⁾	\$741,300	\$633,000

Tax Fees ⁽²⁾	38,896	—
All Other Fees ⁽³⁾	—	175,000
Total	<u>\$812,296</u>	<u>\$836,500</u>

(1) Audit fees represent fees for professional services provided in connection with the audit of our annual financial statements and review of our quarterly financial statements and audit services provided in connection with other statutory or regulatory filings.

(2) Tax fees represent fees for professional services provided in connection with obtaining New York State job tax credits.

(3) All other fees represent fees for professional services provided in connection with our July 2011 common stock offering.

The Examining Committee approves all audit-related and non-audit services not prohibited by law to be performed by Signature Bank’s independent auditors. The Examining Committee determined that the provision of such services by KPMG LLP was compatible with the maintenance of such firm’s independence in the conduct of its audit functions.

APPROVAL OF 2004 EQUITY PLAN
(PROPOSAL NO. 3)

General

At the 2013 Annual Meeting, you are being asked to re-approve our 2004 Equity Plan, including the applicable performance goals and other performance-based provisions, to ensure that compensation in respect of awards made under the 2004 Equity Plan based on the performance criteria set forth in the 2004 Equity Plan may continue to be deductible by the Company. Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), generally does not allow publicly held companies to obtain tax deductions for compensation of more than \$1 million paid in any year to their chief executive officer, or any of their other named executive officers (other than the chief financial officer), unless such payments are “performance-based” in accordance with conditions specified under Section 162(m) of the Code and the Treasury Regulations promulgated thereunder (“Section 162(m)”). One of those conditions requires the Company to disclose the material terms of the performance goals of the 2004 Equity Plan and to obtain shareholder approval of each performance criterion that a committee of outside directors may use in granting an award under the 2004 Equity Plan that is intended to satisfy the requirements of Section 162(m). In addition, if the committee has the authority to change the targets under a performance goal after shareholder approval of the goal, the material terms of the performance goals must be disclosed and reapproved by shareholders no later than the first shareholders meeting that occurs in the fifth year following the year in which shareholders previously approved the performance goals.

The Board of Directors of the Company originally adopted the 2004 Equity Plan in 2004. The shareholders of the Company previously approved the plan in April 2008.

If this proposal is approved, and if the applicable performance goals are satisfied, this proposal would enable the Company to grant awards under the 2004 Equity Plan to executive officers of the Company and be able to obtain tax deductions with respect to compensation attributable to such awards, without regard to the limitations of Section 162(m). If this proposal is not approved by shareholders, compensation attributable to grants of awards under the 2004 Equity Plan to our named executive officers may cease to be eligible to be tax deductible by the Company. The Compensation Committee, however, reserves the right to issue awards under the 2004 Equity Plan to our executive officers that are not tax deductible under Section 162(m).

In addition to approval of the provisions of the 2004 Equity Plan relating to compensation intended to qualify as performance-based compensation for purposes of Section 162(m), the other material changes to the 2004 Equity Plan, as proposed to be amended, are (1) an additional 1,082,483 shares of Common Stock are being reserved for future issuance under the 2004 Equity Plan, so that there will be an aggregate of 2,500,000 that remain available for future grants before giving effect to the awards that are scheduled to be made on March 22, 2013 (2) an extension of the term of the 2004 Equity Plan to December 31, 2018, and (3) an increase in the maximum amount that can be paid in any calendar year to any participant pursuant to a cash bonus from \$3,000,000 to \$5,000,000.

Summary of the 2004 Equity Plan

The following description of the 2004 Equity Plan is only a summary of certain provisions thereof and is qualified in its entirety by reference to its full text, a copy of which is attached as Appendix A to this Proxy Statement, and should be read in conjunction with the following summary.

Purpose

The purpose of the 2004 Equity Plan is to give us a competitive advantage in attracting, retaining and motivating officers, employees, directors and/or consultants and to provide us and our subsidiaries and affiliates with a stock plan providing incentives directly related to increases in shareholder value.

Administration

Our Compensation Committee will administer the 2004 Equity Plan. The Board of Directors may exercise any authority granted to the Compensation Committee under the 2004 Equity Plan. The Compensation Committee will have the authority to determine the terms and conditions of any agreements evidencing any awards granted under the 2004 Equity Plan, and to adopt, alter and repeal rules, guidelines and practices relating to the 2004 Equity Plan.

Eligibility

Any of our employees, directors, officers or consultants who are or will be responsible for or contribute to the management, growth or profitability of the business of the Company or its subsidiaries or affiliates are eligible for awards under the 2004 Equity Plan. As of December 31, 2012, approximately 866 persons were eligible to participate in the 2004 Equity Plan, including 510 officers of the Bank, 345 non-officer employees of the Bank, 5 external consultants and 6 non-employee directors.

Number of Shares Authorized

There were 3,500,000 shares of Common Stock originally authorized for issuance under the 2004 Equity Plan. As of December 31, 2012, there were only 1,417,517 shares that remain available for future issuance under the 2004 Equity Plan that are not subject to outstanding awards under the 2004 Equity Plan. An additional 1,082,483 shares of Common Stock are being reserved for future issuance under the 2004 Equity Plan effective immediately following the 2013 Annual Meeting, so that the aggregate number of shares of Common Stock that will be available for future issuance under the 2004 Equity Plan as of immediately following the 2013 Annual Meeting shall be 2,500,000, minus the number of shares of Common Stock that are subject to awards granted after the date of this Proxy Statement and before the 2013 Annual Meeting (which include the regularly scheduled grants on March 22, 2013). No participant may be granted options to purchase more than 1,000,000 shares of Common Stock in any one year. If any award is forfeited, or if any option terminates, expires or lapses without being exercised, shares of Common Stock subject to such award will again be available for future awards. If there is any change in corporate capitalization, the Compensation Committee in its sole discretion (subject to the approval of the Superintendent of Banks of the State of New York) may make substitutions or adjustments to the number of shares reserved for issuance under the 2004 Equity Plan, the number of shares covered by awards then outstanding under the 2004 Equity Plan, the limitations on awards under the 2004 Equity Plan, the exercise price of outstanding options and such other equitable substitution or adjustments as it may determine to be appropriate.

Awards Available for Grant

The Compensation Committee may grant awards of nonqualified stock options, incentive (qualified) stock options, restricted stock awards, restricted stock units, cash bonus awards, qualified performance-based awards or any combination of the foregoing.

Stock Options

The Compensation Committee is authorized to grant options to purchase shares of Common Stock that are either "qualified," which include those options that satisfy the requirements of Section 422 of the Internal Revenue Code for incentive stock options, or "nonqualified," which include those options that are not intended to satisfy the requirements of Section 422 of the Internal Revenue Code. These options will be subject to the terms and conditions established by the Compensation Committee. Under the terms of the 2004 Equity Plan and unless the Compensation Committee determines otherwise, the exercise price of the options will not be less than the fair market value of our Common Stock at the time of grant.

The term of the options will be fixed by the Compensation Committee, but incentive stock options granted will generally terminate on the tenth anniversary of their grant, unless terminated earlier because of a participant's termination of employment. Options granted under the 2004 Equity Plan will be subject to such terms, including the exercise price and the conditions and timing of exercise, as may be determined by our Committee and specified in the applicable award agreement. Participants generally will exercise an option by delivery of a certified or bank check in an amount equal to the exercise price of that option. The Compensation Committee may permit a participant to deliver unrestricted shares of Common Stock to exercise an option, provided the Common Stock

delivered has been owned by the participant for at least six months or was previously acquired by the participant on the open market. To the extent permitted by applicable law, the Compensation Committee may also allow the option price to be paid with the proceeds of a brokered sale or loan proceeds.

Under the terms of the 2004 Equity Plan and unless a particular stock option agreement provides otherwise, (i) if a participant's employment is terminated prior to the expiration of the options for any reason other than death, "disability" (as defined in the plan), retirement or "cause" (as defined in the plan), the exercisable portion of the option generally remains exercisable for ninety days; (ii) if a participant terminates employment due to disability, the exercisable portion of the option generally remains exercisable for the shorter of one year from the date of the termination of employment and the stated term of the option; (iii) if a participant terminates employment due to retirement, the exercisable portion of the option generally remains exercisable for the shorter of one year from the date of the participant's retirement and the stated term of the option; (iv) if a participant terminates employment due to death or a participant dies after a termination of employment due to disability or retirement and during the exercisable period, the exercisable portion of the option remains exercisable for the stated term of the option; and (v) if a participant is terminated for cause, all options immediately terminate.

If a participant involuntarily terminates employment other than for "good reason" (as defined in a participant's employment or consulting agreement), other than by the Company for cause, or due to death or disability during the 24-month period following a "change in control" (as defined in the plan), the exercisable portion of the option generally remains exercisable for the shorter of the stated term of the option and the longer of one year from the date of the participant's termination of employment or service and any other period provided in the 2004 Equity Plan or in the stock option agreement or an applicable employment or consulting agreement.

Options awarded under the 2004 Equity Plan generally will not be assignable or transferable other than by will or by the laws of descent and distribution.

Restricted Stock

The Compensation Committee is authorized to award restricted stock, including performance-based restricted stock. The awards of restricted stock will be subject to the terms and conditions established by the Compensation Committee. Restricted stock is Common Stock that generally is non-transferable and is subject to other restrictions determined by the Compensation Committee for a specified period. Unless the Compensation Committee determines otherwise, or specifies otherwise in an award agreement, if the participant terminates employment during the restricted period, then any unvested restricted stock will be forfeited, unless the termination is due to the death of the participant as in such circumstances all unvested restricted stock will immediately vest and become exercisable on the death of the participant.

Restricted Stock Unit Awards

The Compensation Committee is authorized to award restricted stock units. Restricted stock unit awards will be subject to the terms and conditions established by the Compensation Committee. Unless the Compensation Committee determines otherwise, or specifies otherwise in an award agreement, if the participant terminates employment or services during the period of time over which all or a portion of the units are to be earned, then any unvested units will be forfeited, unless the termination is due to the death of the participant as in such circumstances all unvested units will immediately vest and become exercisable on the death of the participant. At the election of the Compensation Committee, the participant will receive either a number of shares of Common Stock equal to the number of units earned, an amount in cash equal to the fair market value of that number of shares, or a combination thereof, at the expiration of the period over which the units are to be earned, or at a later date selected by the Compensation Committee.

Performance Units

The Compensation Committee is authorized to award performance units, including qualified performance-based awards. The performance unit awards will be subject to the terms and conditions established by the Compensation Committee. Unless the Compensation Committee determines otherwise, or specifies otherwise in an award agreement, if the participant terminates employment during the period of time over which all or a portion of the performance units are to be earned, then any unvested performance units will be forfeited, unless the termination is due to the death of the participant and in such circumstances all unvested performance units will

immediately vest and become exercisable on the death of the participant. At the expiration of the period of time over which the performance units are to be earned, the Compensation Committee will determine the number of units which have been earned, and the participant will receive a number of shares of Common Stock equal to the number of units earned or an amount in cash equal to the fair market value of that number of shares, as the Compensation Committee will elect.

Qualified Performance-Based Awards

The Compensation Committee may grant any award under the 2004 Equity Plan in the form of a qualified performance-based award in order to qualify such award as “performance-based compensation” under Section 162(m) of the Code by conditioning the vesting of the award on the satisfaction of certain performance goals. The Compensation Committee may establish these performance goals with reference to one or more of the following performance criteria:

- (i) net earnings or net income (before or after taxes);
- (ii) basic or diluted earnings per share (before or after taxes);
- (iii) pre- or after-tax income (before or after allocation of corporate overhead and bonus);
- (iv) operating income (before or after taxes);
- (v) revenue, net revenue, or net revenue growth;
- (vi) gross profit or gross profit growth;
- (vii) net operating profit (before or after taxes);
- (viii) earnings, including earnings before or after taxes;
- (ix) return measures (including, but not limited to, return on assets, net assets, capital, total capital, tangible capital, invested capital, equity, or total shareholder return);
- (x) cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on capital, cash flow return on investment, and cash flow per share (before or after dividends));
- (xi) margins, gross or operating margins, or cash margin;
- (xii) operating efficiency;
- (xiii) productivity ratios;
- (xiv) share price (including, but not limited to, growth measures and total shareholder return);
- (xv) expense targets;
- (xvi) objective measures of customer satisfaction;
- (xvii) working capital targets;
- (xviii) measures of economic value added, or economic value-added models or equivalent metrics;
- (xix) enterprise value;
- (xx) net sales;
- (xxi) appreciation in and/or maintenance of the price of the shares or any other publicly-traded securities of the Company;
- (xxii) market share;
- (xxiii) comparisons with various stock market indices;
- (xxiv) reductions in costs;
- (xxv) improvement in or attainment of expense levels or working capital levels;
- (xxvi) year-end cash;

- (xxvii) debt reductions;
- (xxviii) shareholder equity;
- (xxix) regulatory achievements; or
- (xxx) implementation, completion or attainment of measurable objectives with respect to research, development, products or projects, production volume levels, acquisitions and divestitures and recruiting and maintaining personnel.

As soon as practicable following the end of the applicable performance period, the Compensation Committee will certify the attainment of the performance goals and will calculate the payment amount or vested percentage with respect to each award, if any, payable or vested with respect to each participant. In no event will any payment or vesting occur with respect to any award for a performance period in which performance fails to attain or exceed the minimum level for the applicable performance goals. Unless otherwise provided in the applicable award agreement, a participant must be employed by the Company on the last day of a performance period to be eligible for payment in respect of a qualified performance-based award for such performance period.

The maximum qualified performance-based award payable to any one participant under the 2004 Equity Plan for a performance period is 1,000,000 shares of Common Stock or, in the event such qualified performance-based award is paid in cash, the equivalent cash value thereof on the first or last day of the performance period to which such award relates, as determined by the Compensation Committee. The maximum amount that can be paid in any calendar year to any participant pursuant to a cash bonus award is \$5,000,000.

Other Stock-Based Awards

The Compensation Committee may grant other types of equity-based awards based upon the Company's Common Stock.

Tax Withholding

A participant may be required to pay to us or make arrangements satisfactory to us to satisfy all federal, state and other withholding tax requirements related to awards under the 2004 Equity Plan. Unless we determine otherwise, a participant may satisfy his or her withholding liability (but no more than the minimum required withholding liability) by delivery of shares of Common Stock owned by the participant. To the extent permitted by law, we have the right to deduct any withholding taxes from any payment otherwise due to a participant.

Term and Amendment

The term of the 2004 Equity Plan has been extended to December 31, 2018. Our Board may at any time amend, alter or discontinue the 2004 Equity Plan. No amendment, alteration, discontinuation or termination will impair the rights of any participant or recipient of any award without the consent of the participant or recipient, nor will any amendment for which shareholder approval would be required be effective without receiving the necessary shareholder approval.

Change in Control

Under the terms of the 2004 Equity Plan, if there is a change in control, unless otherwise provided by the Compensation Committee in any award agreement, any outstanding options will become fully vested and exercisable, any restrictions and deferral limitations applicable to restricted stock and restricted stock units will lapse, and all performance units, other stock-based awards and cash bonus awards will be considered earned and payable in full and any deferral or other restrictions will lapse and such performance units, other stock-based awards and cash bonus awards will be settled in cash or shares of Common Stock as determined by the Compensation Committee.

Federal Income Tax Consequences

No income will be realized by a participant upon grant of a non-qualified stock option. Upon exercise of a nonqualified stock option, the participant will recognize ordinary compensation income in an amount equal to the excess, if any, of the fair market value of the underlying stock over the option exercise price (the "spread") at the time of exercise. We will be able to deduct the spread for federal income tax purposes, subject to the possible

limitations on deductibility under Sections 280G and 162(m) of the Code of compensation paid to executives designated in those sections. The participant’s tax basis in the underlying shares of our Common Stock acquired on the exercise of a non-qualified stock option will equal the exercise price plus the amount taxable as compensation to the participant.

The Code requires that, for incentive stock option treatment, shares of our Common Stock acquired through exercise of an incentive stock option cannot be disposed of before two years from the date of grant of the option and one year from the date of exercise. Incentive stock option holders will generally incur no federal income tax liability at the time of grant or upon exercise of such options. However, the spread at exercise will be an “item of tax preference” which may give rise to “alternative minimum tax” liability for the taxable year in which the exercise occurs at the time of exercise. If the participant does not dispose of the shares of our Common Stock before two years following the date of grant and one year following the date of exercise, the difference between the exercise price and the amount realized upon disposition of the shares of our Common Stock will constitute long-term capital gain or loss, as the case may be. Assuming both holding periods are satisfied, no deduction will be allowed to us for federal income tax purposes in connection with the grant or exercise of the option. If, within two years following the date of grant or within one year following the date of exercise, the holder of shares of our Common Stock acquired through the exercise of an incentive stock option disposes of such shares of our common stock, the participant will generally realize ordinary taxable compensation at the time of such disposition equal to the difference between the exercise price and the lesser of the fair market value of the stock on the date of initial exercise or the amount realized on the subsequent disposition, and such amount will generally be deductible by the company for federal income tax purposes, subject to the possible limitations on deductibility under Sections 280G and 162(m) of the Code for compensation paid to executives designated in those sections.

New Plan Benefits

Awards under the 2004 Equity Plan will be determined by the Compensation Committee in its discretion and it is, therefore, except as noted below, not possible to predict the awards that will be made to particular officers in the future under the 2004 Equity Plan. For information regarding grants made to our named executive officers in fiscal 2012 under the 2004 Equity Plan, see the “Grants of Plan-Based Awards Table” above.

March 2013 Awards

Required Vote

The New York Banking Law requires the affirmative vote of the holders of a majority of the outstanding shares of our common stock to approve the 2004 Equity Plan. The Treasury Regulations require the affirmative vote of a majority of the votes cast on the issue at the meeting of shareholders to approve the performance-based provisions of the 2004 Equity Plan.

Interests of Certain Persons in the Proposal

As indicated above, our named executive officers are eligible to receive grants of restricted stock pursuant to the 2004 Equity Plan. In addition, to the extent that our directors and other executive officers may in the future receive awards under the 2004 Equity Plan, they also may be deemed to have an interest in the 2004 Equity Plan.

The Board of Directors recommends a vote “FOR” this proposal.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

(PROPOSAL NO. 4)

We are committed to strong corporate governance. As part of this commitment, and in compliance with Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”)) and the related rules of the SEC, we are submitting to our stockholders for approval a non-binding resolution to ratify named executive officer compensation, as described in the Compensation Discussion and Analysis and the tabular disclosure regarding named executive officer compensation (together with the accompanying narrative disclosure) in this Proxy Statement. We are submitting this proposal because we believe that both we and our stockholders benefit from responsive corporate governance policies and constructive and consistent dialogue. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement. This proposal gives our stockholders the opportunity to endorse or not endorse our executive pay program and policies through the following resolution:

“RESOLVED, that the shareholders approve, on an advisory basis, the Bank’s named executive officer compensation, as described in the Compensation Discussion and Analysis and the tabular disclosure regarding named executive officer compensation (together with the accompanying narrative disclosure) in the Proxy Statement for this meeting.”

In considering your vote, you are encouraged to read “Executive Compensation”, the accompanying compensation tables, and the related narrative disclosure. Because your vote is advisory, it will not be binding on the Board of Directors. However, the Board of Directors and the Compensation Committee expect to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results.

The Board of Directors recommends a vote “FOR” this proposal.

Stockholders Sharing the Same Address; Householding

In accordance with notices to many stockholders who hold their shares through a bank, broker or other holder of record (a "street-name stockholder") and share a single address, only one annual report and proxy statement or Notice of Internet Availability of Proxy Material, as applicable, is being delivered to that address unless contrary instructions from any stockholder at that address were received. This practice, known as "householding," is intended to reduce the Company's printing and postage costs. However, any such street-name stockholder residing at the same address who wishes to receive a separate copy of a Notice of Internet Availability of Proxy Material or this Proxy Statement or accompanying Signature Bank 2012 Annual Report to Stockholders may request a copy by contacting the bank, broker or other holder of record, or the Company by telephone at 646-822-1500, by email to investorrelations@signatureny.com or by mail to Investor Relations, Signature Bank, 565 Fifth Avenue, New York, NY 10017. The voting instruction or Notice of Internet Availability of Proxy Material, as applicable, sent to a street-name stockholder should provide information on how to request (1) householding of future Company materials or (2) separate materials if only one set of documents is being sent to a household. If it does not, a stockholder who would like to make one of these requests should contact the Company as indicated above.

Shareholder Proposals

We anticipate that the 2014 Annual Meeting of Shareholders (the "2014 Annual Meeting") will be held in the first four months of 2014. Any shareholder who intends to present a proposal at the 2014 Annual Meeting, and who wishes to have such proposal included in Signature Bank's Proxy Statement for the 2014 Annual Meeting, must follow the procedures prescribed in Rule 14a-8 of the Securities Exchange Act of 1934, as well as the provisions of our By-laws. To be considered timely, a proposal for inclusion in our Proxy Statement and form of proxy submitted pursuant to Rule 14a-8 for our 2014 Annual Meeting must be received by November 15, 2013. Under our By-laws, shareholder nominees or other proper business proposals must be made by timely written notice given by or on behalf of a shareholder of record of the Company to the Corporate Secretary of the Company. In the case of nomination of a person for election to the Board of Directors or other business to be conducted at the annual meeting of shareholders, notice shall be considered timely if it is received not less than 90 nor more than 120 days prior to the first anniversary of the date on which the Company first mailed its proxy materials for the prior year's

annual meeting of shareholders, except in the case where the Company did not mail proxy materials in connection with the prior year's annual meeting. The notice is required to comply with each of the procedural and informational requirements set forth in our By-laws. The requirements in our By-laws are separate from, and in addition to, the requirements in Regulation 14A under the Securities Exchange Act of 1934 that a shareholder must meet in order to have a shareholder proposal included in the Company's Proxy Statement. To be considered timely under our By-laws, a proposal for business at our 2014 Annual Meeting must be received no earlier than November 15, 2013 and no later than December 15, 2013. For information about the policies of the Company's Board of Directors relating to shareholder nominees, see "Consideration of Director Nominees" in this Proxy Statement.

By Order of the Board of Directors,

/s/ Patricia E. O'Melia

The Performance Criteria that may be used to establish the

Performance Goal(s) shall be based on the attainment of specific levels of performance of the Company (or Affiliate, division or operational unit of the Company) and shall be limited to the following: (i) net earnings or net income (before or after taxes); (ii) basic or diluted earnings per share (before or after taxes); (iii) pre- or after-tax income (before or after allocation of corporate overhead and bonus); (iv) operating income (before or after taxes); (v) revenue, net revenue, or net revenue growth; (vi) gross profit or gross profit growth; (vii) net operating profit (before or after taxes); (viii) earnings, including earnings before or after taxes; (ix) return measures (including, but not limited to, return on assets, net assets, capital, total capital, tangible capital, invested capital, equity, or total shareholder return); (x) cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on capital, cash flow return on investment, and cash flow per share (before or after dividends); (xi) margins, gross or operating margins, or cash margin; (xii) operating efficiency; (xiii) productivity ratios; (xiv) share price (including, but not limited to, growth measures and total shareholder return); (xv) expense targets; (xvi) objective measures of customer satisfaction; (xvii) working capital targets; (xviii) measures of economic value added, or economic value-added models or equivalent metrics; (xix) enterprise value; (xx) net sales; (xxi) appreciation in and/or maintenance of the price of the Shares or any other publicly-traded securities of the Company; (xxii) market share; (xxiii) comparisons with various stock market indices; (xxiv) reductions in costs; (xxv) improvement in or attainment of expense levels or working capital levels; (xxvi) year-end cash; (xxvii) debt reductions; (xxviii) stockholder equity; (xxix) regulatory achievements; or (xxx) implementation, completion or attainment of measurable objectives with respect to research, development, products or projects, production volume levels, acquisitions and divestitures and recruiting and maintaining personnel.

The Committee also has the authority to provide for accelerated vesting of any Award based on the achievement of Performance Goals. To the extent required under Section 162(m) of the Code, the Committee shall, within the first 90 days of a Performance Period (or, if longer or shorter, within the maximum period allowed under Section 162(m) of the Code), define in an objective fashion the manner of calculating the Performance Goals for such Performance Period.

In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing Performance Criteria with respect to Qualified Performance-Based Awards without obtaining shareholder approval of such alterations, the Committee shall have sole discretion to make such alterations without obtaining shareholder approval.

(ee) “*Performance Formula*” shall mean, for a Performance Period, the one or more objective formulas applied against the relevant Performance Goal to determine, with regard to the Qualified Performance-Based Award of a particular Participant, whether all, some portion but less than all, or none of the Qualified Performance-Based Award has been earned for the Performance Period.

(ff) “*Performance Goals*” shall mean, for a Performance Period, the one or more goals established by the Committee for the Performance Period based upon the Performance Criteria. The Committee is authorized at any time during the first 90 days of a Performance Period (or, if longer or shorter, within the maximum period allowed under Section 162(m) of the Code), or at any time thereafter to the extent the exercise of such authority at such time would not cause the Qualified Performance-Based Awards granted to any Participant for such Performance Period to fail to qualify as “performance-based compensation” under Section 162(m) of the Code, in its sole discretion, to adjust or modify the calculation of a Performance Goal for such Performance Period, based on and in order to appropriately reflect the following events: (i) asset write-downs; (ii) litigation or claim judgments or settlements; (iii) the effect of changes in tax laws, accounting principles, or other laws or regulatory rules affecting reported results; (iv) any reorganization and restructuring programs; (v) extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 (or any successor pronouncement thereto) and/or in management’s discussion and analysis of financial condition and results of operations appearing in the Company’s annual report to shareholders for the applicable year; (vi) acquisitions or divestitures; (vii) any other specific unusual or nonrecurring events, or objectively determinable category thereof; (viii) foreign exchange gains and losses; and (ix) a change in the Company’s fiscal year.

(gg) “*Performance Period*” shall mean the one or more periods of time not less than one (1) year in duration, as the Committee may select, over which the attainment of one or more Performance Goals will be measured for the purpose of determining a Participant’s right to and the payment of a Qualified Performance-Based Award.

(hh) “*Performance Units*” means an Award granted under Section 7.

(ii) “*Plan*” means the Signature Bank Corp. 2004 Long-Term Incentive Plan, as set forth herein and as hereinafter amended from time to time.

(jj) “*Qualified Performance-Based Award*” means an Award of Restricted Stock, Restricted Stock Units, Performance Units, or other stock-based award or cash bonus designated as such by the Committee pursuant to Section 9 at the time of grant, based upon a determination that (i) the recipient is or may be a “covered employee” within the meaning of Section 162(m)(3) of the Code in the year in which the Company would expect to be able to claim a tax deduction with respect to such Restricted Stock, Restricted Stock Units, Performance Units, or other stock-based award or cash bonus and (ii) the Committee wishes such Award to qualify for the Section 162(m) Exemption.

(kk) “*Restricted Stock*” means an Award of Common Stock granted under Section 6.

(mm) “*Retirement*” means Normal or Early Retirement.

(nn) “*Rule 16b-3*” means Rule 16b-3, as promulgated by the Commission under Section 16(b) of the Exchange Act, as amended from time to time.

(oo) “*Section 162(m) Exemption*” means the exemption from the limitation on deductibility imposed by Section 162(m) of the Code that is set forth in Section 162(m)(4)(C) of the Code.

(pp) “*Stock Option*” means an Award granted under Section 5.

(qq) “*Subsidiary*” means any corporation, partnership, joint venture or other entity during any period in which at least a 50% voting or profits interest is owned, directly or indirectly, by the Company or any successor to the Company.

(rr) “*Termination of Employment*” means the termination of the Participant’s employment with, or performance of services for, the Company and any of its Subsidiaries or Affiliates. A Participant employed by, or performing services for, a Subsidiary or an Affiliate shall also be deemed to incur a Termination of Employment if the Subsidiary or Affiliate ceases to be such a Subsidiary or an Affiliate, as the case may be, and the Participant does not immediately thereafter become an employee of, or service-provider for, the Company or another Subsidiary or Affiliate. Temporary absences from employment because of illness, vacation or leave of absence and transfers among the Company and its Subsidiaries and Affiliates shall not be considered Terminations of Employment.

SECTION 2. Administration

(a) The Plan shall be administered by the Compensation Committee or such other committee of the Board as the Board may from time to time designate (the “Committee”), which shall be composed of not less than two Outside Directors, and shall be appointed by and serve at the pleasure of the Board, except with respect to Awards to non-employee directors, which shall be administered by a committee of three or more Outside Directors elected by the Board (and with respect to which any committee member shall recuse himself or herself from voting on any such Award grant to himself or herself). All references to the “Committee” with respect to grants to non-employee directors shall refer to such committee elected by the Board.

(b) The Committee shall have plenary authority to grant Awards pursuant to the terms of the Plan to Participants.

(c) Among other things, the Committee shall have the authority, subject to the terms of the Plan:

(i) To select the Participants to whom Awards may from time to time be granted;

(ii) To determine whether and to what extent any type of Award is to be granted hereunder;

(iii) To determine the number of shares of Common Stock to be covered by each Award granted hereunder;

(iv) To determine the terms and conditions of any Award granted hereunder (including, but not limited to, the Option Price (subject to Section 5(a)), any vesting condition, restriction or limitation (which may be related to the performance of the Participant, the Company or any Subsidiary or Affiliate) and any vesting acceleration or forfeiture waiver regarding any Award and the shares of Common Stock relating thereto, based on such factors as the Committee shall determine;

(v) Subject to the terms of the Plan, including without limitation Section 12, to modify, amend or adjust the terms and conditions of any Award, at any time or from time to time, including but not limited to Performance Goals; *provided, however*, that the Committee may not adjust upwards the amount payable to a Covered Employee with respect to a Qualified Performance-Based Award or waive or alter the Performance Goals associated therewith in a manner that would violate Section 162(m) of the Code;

(vi) To determine to what extent and under what circumstances Common Stock and other amounts payable with respect to an Award shall be deferred; and

(vii) To determine under what circumstances an Award may be settled in cash or Common Stock under Section 7(b)(vi).

(d) The Committee shall have the authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it shall from time to time deem advisable, to interpret the terms and provisions of the Plan and any Award issued under the Plan (and any agreement relating thereto) and to otherwise supervise the administration of the Plan.

(e) The Committee may act only by a majority of its members then in office. Except to the extent prohibited by applicable law or the applicable rules of a stock exchange, the Committee may (i) allocate all or any portion of its responsibilities and powers to any one or more of its members and (ii) delegate all or any part of its responsibilities and powers to any person or persons selected by it, provided that no such delegation may be made that would cause Awards or other transactions under the Plan to cease to be exempt from Section 16(b) of the Exchange Act or cause an Award designated as a Qualified Performance-Based Award not to qualify for, or to cease to qualify for, the Section 162(m) Exemption. Any such allocation or delegation may be revoked by the Committee at any time.

(f) Any determination made by the Committee with respect to any Award shall be made in the sole discretion of the Committee at the time of the grant of the Award or, unless in contravention of any express term of the Plan, at any time thereafter. All decisions made by the Committee or any appropriately delegated officer pursuant to the provisions of the Plan shall be final and binding on all persons, including the Company, its Affiliates, Subsidiaries, shareholders and Participants.

(g) Any authority granted to the Committee may also be exercised by the full Board, except to the extent that the grant or exercise of such authority would cause any Award or transaction to become subject to (or lose an exemption under) the short-swing profit recovery provisions of Section 16 of the Exchange Act or cause an Award designated as a Qualified Performance-Based Award not to qualify for, or to cease to qualify for, the Section 162(m) Exemption. To the extent that any permitted action taken by the Board conflicts with action taken by the Committee, the Board action shall control.

SECTION 3. Grant of Awards; Common Stock Subject to Plan

(a) The maximum number of shares of Common Stock that may be delivered to Participants and their beneficiaries under the Plan shall be 4,582,483 (comprised of 2,286,450 shares originally reserved, plus an additional 1,213,550 shares approved by the stockholders of the Company at its 2008 annual meeting of stockholders, plus an additional 1,082,483 shares approved by the stockholders of the Company at its 2013 annual meeting of stockholders). No Participant may be granted Stock Options covering in excess of 1,000,000 shares of Common Stock in any calendar year. Shares subject to an Award under the Plan may be authorized and unissued shares or may be treasury shares. If and to the extent any Award is forfeited, or any Stock Option terminates, expires or lapses without being exercised, shares of Common Stock subject to such Awards shall again be available for distribution in connection with Awards under the Plan. If the Option Price of any Stock Option is satisfied by delivering shares of Common Stock to the Company (by either actual delivery or by attestation), only the number

of shares of Common Stock delivered to the Participant net of the shares of Common Stock delivered to the Company or attested to shall be deemed delivered for purposes of determining the maximum numbers of shares of Common Stock available for delivery under the Plan. To the extent any shares of Common Stock subject to an Award are not delivered to a Participant because such shares are used to satisfy an applicable tax-withholding obligation, such shares shall not be deemed to have been delivered for purposes of determining the maximum number of shares of Common Stock available for delivery under the Plan. The maximum number of shares of Common Stock that may be issued pursuant to Stock Options intended to be Incentive Stock Options shall be 4,582,483 shares.

(b) In the event of any change in corporate capitalization (including, but not limited to, a change in the number of shares of Common Stock outstanding), such as a stock split or a corporate transaction, such as any merger, consolidation, separation, including a spin-off, or other distribution of stock or property of the Company (including any extraordinary cash or stock dividend), any reorganization (whether or not such reorganization comes within the definition of such term in Section 368 of the Code) or any partial or complete liquidation of the Company, the Committee or Board shall make such equitable substitution or adjustments in the aggregate number and kind of shares reserved for issuance under the Plan, and the maximum limitation upon Stock Options and other Awards to be granted to any Participant, in the number, kind and Option Price of shares subject to outstanding Stock Options, in the number and kind of shares subject to other outstanding Awards granted under the Plan and/or such other equitable substitution or adjustments (including, without limitation, providing an amount in cash therefor) in order to prevent substantial enlargement or dilution of a Participant's rights in a manner consistent with the Plan, subject to the approval of the Superintendent of Banks of the State of New York; *provided, however*, that the number of shares subject to any Award shall always be a whole number.

SECTION 4. Eligibility

Awards may be granted under the Plan to Eligible Individuals.

SECTION 5. Stock Options

(a) Stock Options may be granted alone or in addition to other Awards granted under the Plan and may be of two types: Incentive Stock Options and NonQualified Stock Options. Any Stock Option granted under the Plan shall be in such form as the Committee may from time to time approve.

(b) The Committee shall have the authority to grant any Participant Incentive Stock Options, NonQualified Stock Options or both types of Stock Options; provided, however, that grants hereunder are subject to the limits on grants set forth in Section 3. Incentive Stock Options may be granted only to employees of the Company and its subsidiaries or parent corporation (within the meaning of Section 424(f) of the Code). To the extent that any Stock Option is not designated as an Incentive Stock Option or even if so designated does not qualify as an Incentive Stock Option on or subsequent to its grant date, it shall constitute a NonQualified Stock Option.

(c) Stock Options shall be evidenced by Award Agreements, the terms and provisions of which may differ. An Award Agreement shall indicate on its face whether it is intended to be an agreement for an Incentive Stock Option or a NonQualified Stock Option. The grant of a Stock Option shall occur on the date the Committee by resolution selects a Participant to receive a grant of a Stock Option, determines the number of shares of Common Stock to be subject to such Stock Option to be granted to such Participant and specifies the terms and provisions of the Stock Option. The Company shall notify a Participant of any grant of a Stock Option, and a written Award Agreement shall be duly executed and delivered by the Company to the Participant. Such agreement or agreements shall become effective upon execution by the Company and the Participant.

(d) Stock Options granted under the Plan shall be subject to the following terms and conditions and shall contain such additional terms and conditions as the Committee shall deem desirable:

(i) *Option Price.* The Committee shall determine the option price per share of Common Stock purchasable under a Stock Option (the "Option Price"). The Option Price per share of Common Stock subject to a Stock Option shall not be less than the Fair Market Value of the Common Stock subject to such Stock Option on the date of grant. Except for adjustments pursuant to Section 3(b), in no event may any Stock Option granted under this Plan be amended to decrease the Option Price thereof, cancelled in conjunction with the grant of any new Stock Option with a lower Option Price, or otherwise be subject to any action that would be treated, for accounting purposes, as a "repricing" of such Stock Option, unless such amendment, cancellation, or action is approved by the Company's shareholders in accordance with applicable law and stock exchange rules.

(ii) *Option Term.* The term of each Stock Option shall be fixed by the Committee, but no Incentive Stock Option shall be exercisable more than 10 years after the date the Stock Option is granted.

(iii) *Exercisability.* Except as otherwise provided herein, Stock Options shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee. If the Committee provides that any Stock Option is exercisable only in installments, the Committee may at any time waive such installment exercise provisions, in whole or in part, based on such factors as the Committee may determine. In addition, the Committee may at any time accelerate the exercisability of any Stock Option. Notwithstanding the foregoing, a Participant's Stock Options shall become fully vested and exercisable upon Termination of Employment due to the death of the Participant.

(iv) *Method of Exercise.* Subject to the provisions of this Section 5, Stock Options may be exercised, in whole or in part, at any time during the option term by giving written notice of exercise to the Company specifying the number of shares of Common Stock subject to the Stock Option to be purchased. Such notice shall be accompanied by payment in full of the Option Price by certified or bank check or such other instrument as the Company may accept. If approved by the Committee, payment, in full or in part, may also be made in the form of unrestricted Common Stock (by delivery of such shares or by attestation) already owned by the Participant of the same class as the Common Stock subject to the Stock Option (based on the Fair Market Value of the Common Stock on the date the Stock Option is exercised); provided, however, that, in the case of an Incentive Stock Option, the right to make a payment in the form of already owned shares of Common Stock of the same class as the Common Stock subject to the Stock Option may be authorized only at the time the Stock Option is granted. If approved by the Committee, to the extent permitted by applicable law, payment in full or in part may also be made by delivering a properly executed exercise notice to the Company, together with a copy of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale or loan proceeds necessary to pay the Option Price, and, if requested, the amount of any federal, state, local or foreign withholding taxes. To facilitate the foregoing, the Company may enter into agreements for coordinated procedures with one or more brokerage firms. No shares of Common Stock shall be delivered until full payment therefor has been made. Except as otherwise provided in Section 5(k) below, a Participant shall have all of the rights of a shareholder of the Company holding the class or series of Common Stock that is subject to such Stock Option (including, if applicable, the right to vote the shares and the right to receive dividends), when the Participant has given written notice of exercise, has paid in full for such shares and, if requested by the Company, has given the representation described in Section 14(a).

(e) *Nontransferability of Stock Options.* No Stock Option shall be transferable by the Participant other than by will or by the laws of descent and distribution or any other testamentary distribution. All Stock Options shall be exercisable, subject to the terms of this Plan, only by the Participant, the guardian or legal representative of the Participant, or any person to whom such option is transferred pursuant to this paragraph, it being understood that the term "holder" and "Participant" include such guardian, legal representative and other transferee; provided, however, that Termination of Employment shall continue to refer to the Termination of Employment of the original Participant.

(f) *Termination by Death.* Unless otherwise determined by the Committee at the time of grant, if a Participant incurs a Termination of Employment by reason of death, any Stock Option held by such Participant may thereafter be exercised, until the expiration of the stated term of such Stock Option.

(g) *Termination by Reason of Disability.* Unless otherwise determined by the Committee at the time of grant or, if a longer period of exercise is desired, thereafter, if a Participant incurs a Termination of Employment by reason of Disability, any Stock Option held by such Participant (or the appointed fiduciary of such Participant) may thereafter be exercised by the Participant (or the appointed fiduciary of such Participant), to the extent it was exercisable at the time of termination, or on such accelerated basis as the Committee may determine, for a period of one year from the date of such Termination of Employment or until the expiration of the stated term of such Stock Option, whichever period is the shorter; *provided, however*, that if the Participant dies within such period, any unexercised Stock Option held by such Participant shall, notwithstanding the expiration of such period, continue to be exercisable to the extent to which it was exercisable at the time of death until the expiration of the stated term of such Stock Option. In the event of Termination of Employment by reason of Disability, if an Incentive Stock Option is exercised after the expiration of the exercise periods that apply for purposes of Section 422 of the Code, such Stock Option will thereafter be treated as a NonQualified Stock Option.

(h) *Termination by Reason of Retirement.* Unless otherwise determined by the Committee at the time of grant or, if a longer period of exercise is desired, thereafter, if a Participant incurs a Termination of Employment by reason of Retirement, any Stock Option held by such Participant may thereafter be exercised by the Participant, to the extent it was exercisable at the time of such Retirement, or on such accelerated basis as the Committee may determine, for a period of one year from the date of such Termination of Employment or until the expiration of the stated term of such Stock Option, whichever period is the shorter; *provided, however*, that if the Participant dies within such period any unexercised Stock Option held by such Participant shall, notwithstanding the expiration of such period, continue to be exercisable to the extent to which it was exercisable at the time of death for until the expiration of the stated term of such Stock Option, except in the case of an Incentive Stock Option, which shall be exercisable for (i) a period of one year from the date of such death or (ii) the expiration of the stated term of the Incentive Stock Option, whichever period is the shorter. In the event of Termination of Employment by reason of Retirement, if an Incentive Stock Option is exercised after the expiration of the exercise periods that apply for purposes of Section 422 of the Code, such Stock Option will thereafter be treated as a NonQualified Stock Option.

(i) *Other Termination.* Unless otherwise determined by the Committee at the time of grant or, if a longer period of exercise is desired, thereafter: (A) if a Participant incurs a Termination of Employment for Cause, all Stock Options held by such Participant shall thereupon terminate; and (B) if a Participant incurs a Termination of Employment for any reason other than death, Disability, Retirement or for Cause, any Stock Option held by such Participant, to extent it was then exercisable at the time of termination, or on such accelerated basis as the Committee may determine, may be exercised for the lesser of 90 days from the date of such Termination of Employment or the balance of such Stock Option's term; *provided, however*, that if the Participant dies within such three-month period, any unexercised Stock Option held by such Participant shall, notwithstanding the expiration of such three-month period, continue to be exercisable to the extent to which it was exercisable at the time of death until the expiration of the stated term of such Stock Option, except in the case of an Incentive Stock Option, which shall be exercisable for (i) a period of one year from the date of such death or (ii) the expiration of the stated term of the Incentive Stock Option, whichever period is the shorter.

(j) *Change in Control Termination.* Notwithstanding any other provision of this Plan to the contrary, in the event a Participant incurs a Termination of Employment during the 24-month period following a Change in Control other than (i) by the Company for Cause, (ii) by reason of death, (iii) by reason of Disability or (iv) by voluntary resignation other than by reason of an Involuntary Termination, any Stock Option held by such Participant may thereafter be exercised by the Participant, to the extent it was exercisable at the time of termination, or on such accelerated basis as the Committee may determine, for (A) the longer of (1) one year from such date of termination or (2) such other period as may be provided in the Plan for such Termination of Employment or as the Committee may provide in the Award Agreement or Individual Agreement, or (B) until expiration of the stated term of such Stock Option, whichever period is the shorter. If an Incentive Stock Option is exercised after the expiration of the post-termination exercise periods that apply for purposes of Section 422 of the Code, such Stock Option will thereafter be treated as a NonQualified Stock Option.

SECTION 6. Restricted Stock and Restricted Stock Units

(a) *Administration.* Shares of Restricted Stock and Restricted Stock Units may be awarded either alone or in addition to other Awards granted under the Plan. The Committee shall determine the Participants to whom and the time or times at which grants of Restricted Stock and Restricted Stock Units will be awarded, the number of shares of Restricted Stock or shares underlying Restricted Stock Units to be awarded to any Participant, the conditions for vesting, the time or times within which such Awards may be subject to forfeiture and any other terms and conditions of the Awards, in addition to those contained in Section 6(c).

(b) *Awards and Certificates.* Shares of Restricted Stock shall be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of one or more stock certificates. Any certificate issued in respect of shares of Restricted Stock shall be registered in the name of such Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

“The transferability of this certificate and the shares of stock represented hereby are subject to the terms and conditions (including forfeiture) of Signature Bank's Long-Term Incentive Plan and an Award Agreement. Copies of such Plan and Agreement are on file at the offices of Signature Bank.”

The Committee may require that the certificates evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed and that, as a condition of any Award of Restricted Stock, the Participant shall have delivered a stock power, endorsed in blank, relating to the Common Stock covered by such Award.

(c) *Terms and Conditions.* Shares of Restricted Stock and Restricted Stock Units shall be subject to the following terms and conditions:

(i) Regardless of whether an Award of Restricted Stock or Restricted Stock Units is designated by the Committee as a Qualified Performance-Based Award, the Committee may condition the grant or vesting thereof upon the attainment of Performance Goals, the continued service of the Participant or a combination of the foregoing. The Committee may at any time, in its sole discretion, accelerate or waive, in whole or in part, any of the foregoing restrictions, except as provided in Section 9 in the case of Restricted Stock or Restricted Stock Units that are Qualified Performance-Based Awards.

(ii) Subject to the provisions of the Plan and the Award Agreement referred to in Section 6(c)(vii), during the period, if any, set by the Committee, commencing with the date of such Award for which such Participant's continued service is required (the "Restriction Period"), and until the later of (A) the expiration of the Restriction Period and (B) the date the applicable Performance Goals (if any) are satisfied, the Participant shall not be permitted to sell, assign, transfer, pledge or otherwise encumber shares of Restricted Stock or Restricted Stock Units; provided that, to the extent permitted by applicable law, the foregoing shall not prevent a Participant from pledging Restricted Stock or Restricted Stock Units as security for a loan, the sole purpose of which is to provide funds to pay the Option Price for Stock Options. Notwithstanding the foregoing, the Restriction Period for a Participant shall end upon a Termination of Employment due to the Participant's death.

(iii) Except as provided in this paragraph (iii) and Sections 6(c)(i) and 6(c)(ii) and the Award Agreement, the Participant shall have, with respect to the shares of Restricted Stock, all of the rights of a shareholder of the Company holding the class or series of Common Stock that is the subject of the Restricted Stock, including, if applicable, the right to vote the shares and the right to receive any cash dividends. If so determined by the Committee in the applicable Award Agreement and subject to Section 14(e) of the Plan, (A) cash dividends on the class or series of Common Stock that is the subject of the Restricted Stock Award shall be automatically deferred and reinvested in additional Restricted Stock, held subject to the vesting of the underlying Restricted Stock, or held subject to meeting Performance Goals applicable only to dividends, (B) dividends payable in Common Stock shall be paid in the form of Restricted Stock of the same class as the Common Stock with which such dividend was paid, held subject to the vesting of the underlying Restricted Stock, or held subject to meeting Performance Goals applicable only to dividends and (C) an Award of Restricted Stock Units may provide a Participant with dividend equivalents in respect of dividends payable with respect to shares of Common Stock underlying such Restricted Stock Units, payable on such terms and conditions as may be determined by the Committee in its sole discretion, including, without limitation, withholding of such amounts by the Company subject to vesting of the underlying Restricted Stock Units, or held subject to meeting Performance Goals applicable only to dividends.

(iv) Except to the extent otherwise provided in the applicable Award Agreement or Section 6(c)(i), 6(c)(ii), 6(c)(v) or 10(a)(ii), upon a Participant's Termination of Employment for any reason during the Restriction Period or before the applicable Performance Goals are satisfied, all shares of Restricted Stock and Restricted Stock Units still subject to restriction shall be forfeited by the Participant; provided, however, that the Committee shall have the discretion to waive, in whole or in part, any or all remaining restrictions (other than, in the case of Restricted Stock and Restricted Stock Units designated as a Qualified Performance-Based Award with respect to which a Participant is a Covered Employee, satisfaction of the applicable Performance Goals unless the Participant's Termination of Employment is by reason of death or Disability) with respect to any or all of such Participant's shares of Restricted Stock and Restricted Stock Units.

(v) If and when any applicable Performance Goals are satisfied and the Restriction Period expires without a prior forfeiture of the Restricted Stock or Restricted Stock Units as applicable, unlegended certificates for such shares shall be delivered to the Participant upon surrender of the legended certificates.

(vi) Unless otherwise provided by the Committee in an Award Agreement, upon the expiration of the Restricted Period with respect to any outstanding Restricted Stock Units, the Company shall deliver to the Participant, or his beneficiary, an unlegended certificate for one share of Common Stock for each such outstanding Restricted Stock Unit; provided, however, that the Committee may, in its sole discretion, elect to (i) pay cash or part cash and part Common Stock in lieu of delivering only shares of Common Stock in respect of such Restricted Stock Units or (ii) defer the delivery of Common Stock (or cash or part Common Stock and part cash, as the case may be) beyond the expiration of the Restricted Period. If a cash payment is made in lieu of delivering shares of Common Stock, the amount of such payment shall be equal to the Fair Market Value of the Common Stock as of the date on which the Restricted Period lapsed with respect to such Restricted Stock Units.

(vii) Each Award shall be confirmed by, and be subject to, the terms of an Award Agreement.

SECTION 7. Performance Units

(a) *Administration.* Performance Units may be awarded either alone or in addition to other Awards granted under the Plan. The Committee shall determine the Participants to whom and the time or times at which Performance Units shall be awarded, the number of Performance Units to be awarded to any Participant, the duration of the Award Cycle and any other terms and conditions of the Award, in addition to those contained in Section 7(b).

(b) *Terms and Conditions.* Performance Units shall be subject to the following terms and conditions:

(i) Regardless of whether Performance Units are designated by the Committee as Qualified Performance-Based Awards, the Committee may condition the settlement thereof upon the attainment of Performance Goals, the continued service of the Participant or a combination of the foregoing. Subject to the provisions of the Plan and the Award Agreement referred to in Section 7(b)(v), Performance Units may not be sold, assigned, transferred, pledged or otherwise encumbered during the Award Cycle.

(ii) Except to the extent otherwise provided in the applicable Award Agreement or Section 7(b)(ii) or 9(a)(iii), upon a Participant's Termination of Employment for any reason during the Award Cycle or before any applicable Performance Goals are satisfied, all rights to receive cash or stock in settlement of the Performance Units shall be forfeited by the Participant; provided, however, that the Committee shall have the discretion to waive, in whole or in part, any or all remaining payment limitations (other than, in the case of Performance Units that are Qualified Performance-Based Awards, satisfaction of the applicable Performance Goals unless the Termination of Employment of the Participant is by reason of death or Disability) with respect to any or all of such Participant's Performance Units. Notwithstanding the foregoing, all remaining payment limitations on a Participant's Performance Units shall be deemed satisfied on the death of the Participant.

(iii) A Participant may elect to further defer receipt of cash or shares in settlement of Performance Units for a specified period or until a specified event, subject in each case to the Committee's approval and to such terms as are determined by the Committee. Subject to any exceptions adopted by the Committee, such election must generally be made prior to commencement of the Award Cycle for the Performance Units in question.

(iv) At the expiration of the Award Cycle, the Committee shall evaluate the Company's performance in light of any Performance Goals for such Award, and shall determine the number of Performance Units granted to the Participant which have been earned, and the Committee shall then cause to be delivered to the Participant (A) a number of shares of Common Stock equal to the number of Performance Units determined by the Committee to have been earned, or (B) cash equal to the Fair Market Value of such number of shares of Common Stock, as the Committee shall elect (subject to any deferral pursuant to Section 7(b)(iii)).

(v) Each Award shall be confirmed by, and be subject to, the terms of an Award Agreement.

SECTION 8. Other Stock-Based Awards

Other Awards of Common Stock and other Awards that are valued in whole or in part by reference to, or are otherwise based upon, Common Stock, including (without limitation) dividend equivalents and convertible debentures, may be granted either alone or in conjunction with other Awards granted under the Plan.

SECTION 9. Qualified Performance-Based Awards

(a) *General.* The Committee shall have the authority, at the time of grant of any Award described in Sections 5 through 8 (other than Stock Options granted with an exercise price or grant price, as the case may be, equal to or greater than the Fair Market Value per share of Common Stock on the date of grant), to designate such Award as a Qualified Performance-Based Award in order to qualify such Award as “performance-based compensation” under Section 162(m) of the Code. The Committee shall have the authority to grant cash bonuses under the Plan and designate such Award as a Qualified Performance-Based Award in order to qualify such Award as “performance-based compensation” under Section 162(m).

(b) *Eligibility.* The Committee will, in its sole discretion, designate within the first 90 days of a Performance Period (or, if longer or shorter, within the maximum period allowed under Section 162(m) of the Code) which Participants will be eligible to receive Qualified Performance-Based Awards in respect of such Performance Period. However, designation of a Participant eligible to receive an Award hereunder for a Performance Period shall not in any manner entitle the Participant to receive payment in respect of any Qualified Performance-Based Award for such Performance Period. The determination as to whether or not such Participant becomes entitled to payment in respect of any Qualified Performance-Based Award shall be decided solely in accordance with the provisions of this Section 9. Moreover, designation of a Participant eligible to receive an Award hereunder for a particular Performance Period shall not require designation of such Participant eligible to receive an Award hereunder in any subsequent Performance Period and designation of one person as a Participant eligible to receive an Award hereunder shall not require designation of any other person as a Participant eligible to receive an Award hereunder in such period or in any other period.

(c) *Discretion of Committee with Respect to Qualified Performance-Based Awards.* With regard to a particular Performance Period, the Committee shall have full discretion to select the length of such Performance Period (provided any such Performance Period shall be not less than one (1) year in duration), the type(s) of Qualified Performance-Based Awards to be issued, the Performance Criteria that will be used to establish the Performance Goal(s), the kind(s) and/or level(s) of the Performance Goals(s) that is(are) to apply to the Company and the Performance Formula. Within the first 90 days of a Performance Period (or, if longer or shorter, within the maximum period allowed under Section 162(m) of the Code), the Committee shall, with regard to the Qualified Performance-Based Awards to be issued for such Performance Period, exercise its discretion with respect to each of the matters enumerated in the immediately preceding sentence of this Section 9(c) and record the same in writing.

(d) Payment of Qualified Performance-Based Awards

(i) *Condition to Receipt of Payment.* Unless otherwise provided in the applicable Award Agreement, a Participant must be employed by the Company on the last day of a Performance Period to be eligible for payment in respect of a Qualified Performance-Based Award for such Performance Period.

(ii) *Limitation.* A Participant shall be eligible to receive payment in respect of a Qualified Performance-Based Award only to the extent that: (A) the Performance Goals for such period are achieved; and (B) the Performance Formula as applied against such Performance Goals determines that all or some portion of such Participant’s Performance Award has been earned for the Performance Period.

(iii) *Certification.* Following the completion of a Performance Period, the Committee shall review and certify in writing whether, and to what extent, the Performance Goals for the Performance Period have been achieved and, if so, calculate and certify in writing that amount of the Qualified Performance-Based Awards earned for the period based upon the Performance Formula. The Committee shall then determine the actual size of each Participant’s Qualified Performance-Based Award for the Performance Period and, in so doing, may apply Negative Discretion in accordance with Section 9(d)(iv) hereof, if and when it deems appropriate.

(iv) *Use of Discretion.* In determining the actual size of an individual Performance Award for a Performance Period, the Committee may reduce or eliminate the amount of the Qualified Performance-Based Award earned under the Performance Formula in the Performance Period through the use of Negative Discretion if, in its sole judgment, such reduction or elimination is appropriate. The Committee shall not have the discretion to (a) grant or provide payment in respect of Qualified Performance-Based Awards for a Performance Period if the Performance Goals for such Performance Period have not been attained; or (b) increase a Qualified Performance-Based Award above the maximum amount payable under Section 3(a) or 9(d)(vi) of the Plan.

(v) *Timing of Award Payments.* Qualified Performance-Based Awards granted for a Performance Period shall be paid to Participants as soon as administratively practicable following completion of the certifications required by this Section 9.

(vi) *Maximum Award Payable.* Notwithstanding any provision contained in this Plan to the contrary, the maximum Qualified Performance-Based Award payable to any one Participant under the Plan for a Performance Period is 1,000,000 shares of Common Stock or, in the event such Qualified Performance-Based Award is paid in cash, the equivalent cash value thereof on the first or last day of the Performance Period to which such Award relates, as determined by the Committee. The maximum amount that can be paid in any calendar year to any Participant pursuant to a cash bonus Award described in the last sentence of Section 9(a) shall be \$5,000,000. Furthermore, any Qualified Performance-Based Award that has been deferred shall not (between the date as of which the Award is deferred and the payment date) increase (A) with respect to Qualified Performance-Based Award that is payable in cash, by a measuring factor for each fiscal year greater than a reasonable rate of interest set by the Committee or (B) with respect to a Qualified Performance-Based Award that is payable in shares of Common Stock, by an amount greater than the appreciation of a share of Common Stock from the date such Award is deferred to the payment date.

SECTION 10. Change in Control Provisions

(a) *Impact of Event.* Notwithstanding any other provision of the Plan to the contrary, unless otherwise provided by the Committee in any Award Agreement, in the event of a Change in Control:

(i) Any Stock Options outstanding as of the date of such Change in Control, and which are not then exercisable and vested, shall become fully exercisable and vested.

(ii) The restrictions and deferral limitations applicable to any Restricted Stock and Restricted Stock Units shall lapse, and such Restricted Stock and Restricted Stock Units shall become free of all restrictions and become fully vested.

(iii) All Performance Units, other stock-based awards and cash bonus awards shall be considered to be earned and payable in full, and any deferral or other restriction shall lapse and such Performance Units and other stock-based awards shall be settled in cash or shares of Common Stock, as determined by the Committee, and cash bonus awards shall be paid as promptly as is practicable.

(b) *Definition of Change in Control.* For purposes of the Plan, a “Change in Control” shall mean the happening of any of the following events:

(i) An acquisition by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act) (a “Person”) that results in beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) by such Person of 50% or more of either (A) the then outstanding shares of common stock of the Company (the “Outstanding Company Common Stock”) or (B) the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (the “Outstanding Company Voting Securities”), excluding, however, the following: (v) Any acquisition by any entity owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of the Outstanding Company Common Stock or the voting power of the Company Voting Securities (as the case may be) then outstanding, (w) Any acquisition directly from the Company, other than an acquisition by virtue of the exercise of a conversion privilege unless the security being so converted was itself acquired directly from the Company, (x) Any acquisition by the Company, (y) Any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company in which at least a 50% voting or profits interest is owned, directly or indirectly, by the Company, or (z) Any acquisition pursuant to a transaction which complies with clauses (A), (B) and (C) of subsection (iii) of this Section 10(b); or

(ii) There occurs a change in the composition of the Board such that the individuals who, as of the Effective Date, constitute the Board (such Board shall be hereinafter referred to as the “Incumbent Board”) cease for any reason to constitute at least a majority of the Board; provided, however, for purposes of this Section 10(b), that any individual who becomes a member of the Board subsequent to the Effective Date, whose election, or nomination for election by the Company’s shareholders, was approved by a vote of at least a majority of those individuals who are members of the Board and who were also members of the Incumbent

Board (or deemed to be such pursuant to this proviso) shall be considered as though such individual were a member of the Incumbent Board; but, provided, further, that any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board shall not be so considered as a member of the Incumbent Board; or

(iii) Consummation of a reorganization, merger or consolidation or sale or other disposition of all or substantially all of the assets of the Company (“Corporate Transaction”) unless (A) all or substantially all of the individuals and entities who are the beneficial owners, respectively, of the Outstanding Company Common Stock and Outstanding Company Voting Securities immediately prior to such Corporate Transaction will beneficially own, directly or indirectly, more than 50% of, respectively, the outstanding shares of common stock, and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the corporation resulting from such Corporate Transaction (including, without limitation, a corporation which as a result of such transaction owns the Company or all or substantially all of the Company’s assets either directly or through one or more subsidiaries) in substantially the same proportions as their ownership, immediately prior to such Corporate Transaction, of the Outstanding Company Common Stock and Outstanding Company Voting Securities, as the case may be, (B) no Person (other than the Company, any employee benefit plan (or related trust) of the Company or such corporation resulting from such Corporate Transaction) will beneficially own, directly or indirectly, 50% or more of, respectively, the outstanding shares of common stock of the corporation resulting from such Corporate Transaction or the combined voting power of the outstanding voting securities of such corporation entitled to vote generally in the election of directors except to the extent that such ownership existed prior to the Corporate Transaction, and (C) at least a majority of the members of the board of directors of such corporation resulting from such Corporate Transaction were members of the Incumbent Board at the time of the execution of the initial agreement or of the action of the Board providing for such Corporate Transaction; or

(iv) The approval by the shareholders of the Company of a complete liquidation or dissolution of the Company.

Notwithstanding the foregoing, (A) a Person shall not be deemed to have beneficial ownership of securities subject to a stock purchase agreement, merger agreement or similar agreement (or voting or option agreement related thereto) until the consummation of the transactions contemplated by such agreement and (B) any holding company whose only material asset is equity interests of the Company or any of its direct or indirect parent companies shall be disregarded for purposes of determining beneficial ownership under clause (i) above.

SECTION 11. Forfeiture of Awards

Notwithstanding anything in the Plan to the contrary, the Committee shall have the authority under the Plan to provide in any Award Agreement that in the event of serious misconduct by a Participant (including, without limitation, any misconduct prejudicial to or in conflict with the Company or its Subsidiaries or Affiliates, or any Termination of Employment for Cause), or any activity of a Participant in competition with the business of the Company or any Subsidiary or Affiliate, any outstanding Award granted to such Participant shall be cancelled, in whole or in part, whether or not vested or deferred. The determination of whether a Participant has engaged in a serious breach of conduct or any activity in competition with the business of the Company or any Subsidiary or Affiliate shall be determined by the Committee in good faith and in its sole discretion. This Section 11 shall have no application following a Change in Control.

SECTION 12. Term, Amendment and Termination

The Plan will terminate on December 31, 2018. Under the Plan, Awards outstanding as of such date shall not be affected or impaired by the termination of the Plan.

The Board may amend, alter, or discontinue the Plan, but no amendment, alteration or discontinuation shall be made which would impair the rights of a Participant under a Stock Option or a recipient of a Restricted Stock Award, Performance Unit Award or other Award theretofore granted without the Participant’s or recipient’s

consent, except such an amendment made to comply with applicable law, stock exchange rules or accounting rules. In addition, no such amendment shall be made without the approval of the Company's shareholders to the extent such approval is required by applicable law or stock exchange rules.

The Committee may amend the terms of any Stock Option or other Award theretofore granted, prospectively or retroactively, but no such amendment shall cause a Qualified Performance-Based Award to cease to qualify for the Section 162(m) Exemption or impair the rights of any holder without the holder's consent except such an amendment made to cause the Plan or Award to comply with applicable law, stock exchange rules or accounting rules.

Subject to the above provisions, the Board shall have authority to amend the Plan to take into account changes in law and tax and accounting rules as well as other developments, and to grant Awards which qualify for beneficial treatment under such rules without shareholder approval.

SECTION 13. Unfunded Status of Plan

It is presently intended that the Plan constitute an "unfunded" plan for incentive and deferred compensation. The Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Common Stock or make payments; *provided, however*, that unless the Committee otherwise determines, the existence of such trusts or other arrangements is consistent with the "unfunded" status of the Plan.

SECTION 14. General Provisions

(a) *Representation.* The Committee may require each person purchasing or receiving shares pursuant to an Award to represent to and agree with the Company in writing that such person is acquiring the shares without a view to the distribution thereof. The certificates for such shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer. Notwithstanding any other provision of the Plan or agreements made pursuant thereto, the Company shall not be required to issue or deliver any certificate or certificates for shares of Common Stock under the Plan prior to fulfillment of all of the following conditions:

(i) Listing or approval for listing upon notice of issuance, of such shares on Nasdaq, or such other securities exchange as may at the time be the principal market for the Common Stock;

(ii) Any registration or other qualification of such shares of the Company under any state or federal law or regulation, or the maintaining in effect of any such registration or other qualification which the Committee shall, in its absolute discretion upon the advice of counsel, deem necessary or advisable; and

(iii) Obtaining any other consent, approval, or permit from any state or federal governmental agency which the Committee shall, in its absolute discretion after receiving the advice of counsel, determine to be necessary or advisable.

(b) *No Limit of Other Arrangements; No Uniformity of Treatment.* Nothing contained in the Plan shall prevent the Company or any Subsidiary or Affiliate from adopting other or additional compensation arrangements for its employees. There is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant and may be made selectively among Participants, whether or not such Participants are similarly situated.

(c) *No Contract of Employment.* The Plan shall not constitute a contract of employment, and adoption of the Plan shall not confer upon any employee any right to continued employment, nor shall it interfere in any way with the right of the Company or any Subsidiary or Affiliate to terminate the employment of any employee at any time.

(d) *Tax Withholding.* No later than the date as of which an amount first becomes includible in the gross income of the Participant for federal income tax purposes with respect to any Award under the Plan, the Participant shall pay to the Company, or make arrangements satisfactory to the Company regarding the payment of, any federal, state, local or foreign taxes of any kind required by law to be withheld with respect to such amount. Unless otherwise determined by the Company, withholding obligations may be settled with Common Stock, including Common Stock that is part of the Award that gives rise to the withholding requirement; *provided* that not more than the legally required minimum withholding may be settled with Common Stock. The obligations of the Company under the Plan shall be conditional on such payment or arrangements, and the Company and its Affiliates shall, to

the extent permitted by law, have the right to deduct any such taxes from any payment otherwise due to the Participant. The Committee may establish such procedures as it deems appropriate, including making irrevocable elections, for the settlement of withholding obligations with Common Stock.

(e) *Dividends*. Reinvestment of dividends in additional Restricted Stock (or reinvestment of dividend equivalents in additional Restricted Stock Units that are to be settled in shares of Common Stock) at the time of any dividend payment shall only be permissible if sufficient shares of Common Stock are available under Section 3 for such reinvestment (taking into account then outstanding Stock Options and other Awards).

(f) *Death Beneficiary*. The Committee shall establish such procedures as it deems appropriate for a Participant to designate a beneficiary to whom any amounts payable in the event of the Participant's death are to be paid or by whom any rights of the Participant, after the Participant's death, may be exercised.

(g) *Subsidiary Employees*. In the case of a grant of an Award to any employee of a Subsidiary of the Company, the Company may, if the Committee so directs, issue or transfer the shares of Common Stock, if any, covered by the Award to the Subsidiary, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Subsidiary will transfer the shares of Common Stock to the employee in accordance with the terms of the Award specified by the Committee pursuant to the provisions of the Plan. All shares of Common Stock underlying Awards that are forfeited or canceled shall revert to the Company.

(h) *Governing Law*. The Plan and all Awards made and actions taken thereunder shall be subject to the provisions of the Banking Law of the State of New York (including, without limitation, section 140-a thereof) and the regulations thereunder, and shall be governed by and construed in accordance with the laws of the State of New York, without reference to principles of conflict of laws.

(i) *Nontransferability*. Except as otherwise provided in Section 5(e) or by the Committee, Awards under the Plan are not transferable except by will or by laws of descent and distribution.

(j) *Section 409A of the Code*. To the extent applicable, notwithstanding anything herein to the contrary, this Plan and Awards issued hereunder shall be interpreted in accordance with Section 409A of the Code and Department of Treasury regulations and other interpretative guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the Effective Date. Notwithstanding any provision of the Plan to the contrary, in the event that the Committee determines that any amounts payable hereunder will be taxable to a Participant under Section 409A of the Code and related Department of Treasury guidance prior to payment to such Participant of such amount, the Company may (i) adopt such amendments to the Plan and Awards and appropriate policies and procedures, including amendments and policies with retroactive effect, that the Committee determines necessary or appropriate to preserve the intended tax treatment of the benefits provided by the Plan and Awards hereunder and/or (ii) take such other actions as the Committee determines necessary or appropriate to avoid or limit the imposition of an additional tax under Section 409A of the Code. In the event that it is reasonably determined by the Committee that, as a result of Section 409A of the Code, payments in respect of any Award under the Plan may not be made at the time contemplated by the terms of the Plan or the relevant Award agreement, as the case may be, without causing the Participant holding such Award to be subject to taxation under Section 409A of the Code, the Company will make such payment on the first day that would not result in the Participant incurring any tax liability under Section 409A of the Code. The Participant shall be solely responsible for, and nothing herein shall obligate the Company to pay for or on behalf of any Participant, any taxes imposed on such Participant under Section 409A of the Code in respect of any Award granted under the Plan.

SECTION 15. Effective Date of Plan

The Plan shall be effective as of the date (the "Effective Date") it is adopted by the Board, provided that it has been approved or is thereafter approved by the stockholders of the Company in accordance with all applicable laws, regulations and stock exchange rules and listing standards.
